Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

**Manchu and Muscovite (Classic Reprint)** B. L. Putnam Weale,2015-07-01 Excerpt from Manchu and Muscovite That there is a serious need for a book on things Manchurian brought down to the very last moment of the great Far Eastern crisis no one will doubt The extraordinary ignorance in Europe about the actual conditions existing in the disputed territory the very childishness of the statements made far and wide have prompted me to suppose that a candid and unvarnished account by one who has at least known his Far East since his first days will do something to dispel this curious mystery surrounding the Muscovite in the Manchu s home So far as I have been able to learn there have been but two books published since 1900 dealing with the Russians in Manchuria They are Mr Wirt Gerrare s Greater Russia and Mr Alexander Ular s Un Empire Russo Chinois In both publications the authors after dealing exhaustively with questions foreign to the three eastern provinces stray apparently as an afterthought into the Manchurian impasse and become hopelessly bogged About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
