Manet Manette:

Manet Manette Carol M. Armstrong, 2002-01-01 Manet a founding father of modernism is one of the towering figures of 19th century art In this volume Carol Armstrong looks closely at Manet's works to uncover a view not only of the artist but also of modernity itself As she places his art within frameworks of colour the feminine Other the Manette in Manet and consumerism Armstrong seeks to expand and revise our understanding of this artist as a painter of modern life *Manet Manette (in Acq)* Carol M. Armstrong, 2002 Manet a founding father of modernism is one of the towering figures of nineteenth century art In this absorbing book Carol Armstrong looks closely at Manet's works to uncover a novel and compelling view not only of the artist but also of modernity itself As she places his art within frameworks of color the feminine Other the Manette in Manet and consumerism Armstrong greatly expands and revises our understanding of this artist as a painter of modern life Surveying most of Manet's diverse output the book addresses along the way his methods of self presentation his exhibition strategies the relation of his etchings and paintings the significance of his relationships with the model Victorine Meurent and the painter Berthe Morisot the painterly construction of identity and gender difference and much more At the same time the book considers contemporary writings by Baudelaire Zola the Goncourts and others who dealt with issues relating to artistic identity and modernity painting the model and femininity Armstrong concludes that Manet's work demonstrates consistent preoccupations with defining and contradicting his own signature style of painting and with the gendering of costume color and the making of his art These preoccupations she shows suggest a new understanding of Manet's oeuvre Publisher's description *Twelve Views of Manet's Bar* Bradford Collins, 2021-01-12 Bradford Collins has assembled here a collection of twelve essays that demonstrates through the interpretation of a single work of art the abundance and complexity of methodological approaches now available to art historians Focusing on Manet's *A Bar at the Folies Bergère* each contributor applies to it a different methodology ranging from the more traditional to the newer including feminism Marxism Lacanian psychoanalysis and semiotics By demonstrating the ways that individual practitioners actually apply the various methodological insights that inform their research *Twelve Views of Manet's Bar* serves as an excellent introduction to critical methodology as well as a provocative overview for those already familiar with the current discourse of art history In the process of gaining new insight into Manet's work and into the discourse of methodology one discovers that it is not only the individual painting but art history itself that is under investigation An introduction by Richard Shiff sets the background with a brief history of Manet scholarship and suggestions as to why today's accounts have taken certain distinct directions The contributors selected to provide a broad and balanced range of methodological approaches include Carol Armstrong Albert Boime David Carrier Kermit Champa Bradford R Collins Michael Paul Driskel Jack Flam Tag Gronberg James D Herbert John House Steven Z Levine and Griselda Pollock *Women Readers in French Painting 1870-1890* Kathryn J. Brown, 2012 The first monograph to examine the depiction of reading women in

Perspectives on Manet Therese Dolan,2017-07-05 Bringing forth fresh perspectives on Manet s art by established scholars this volume places this compelling and elusive artist s painted uvre within a broader cultural context and links his artistic preoccupations with literary and musical currents Rather than seeking consensus on his art through one methodology or focusing on one crucial work or period this collection investigates the range of Manet s art in the context of his time and considers how his vision has shaped subsequent interpretations Specific essays explore the relationship between Manet and Whistler Emile Zola s attitude toward the artist Manet s engagement with moral and ethical questions in his paintings and the heritage of Charles Baudelaire and Clement Greenberg in critical responses to Manet Through these and other analyses this volume illuminates the scope of Manet s career and indicates the crucial position the artist held in generating a modernist avant garde aesthetic

Women Readers in French Painting 1870?890 Kathryn Brown,2017-07-05 The first monograph to examine the depiction of reading women in French art of the early Third Republic Women Readers in French Painting 1870 1890 evaluates the pictorial significance of this imagery its critical reception and its impact on notions of femininity and social relations Covering a broad range of paintings prints and sculptures this book shows how the liseuse was subjected to unprecedented levels of pictorial innovation by artists with widely differing aesthetic aims and styles Depictions of readers are interpreted as contributions to changing notions of public and private life female agency and women s participation in cultural and political debates beyond the domestic household This highly original book explores images of women readers from a range of social classes in both urban and rural settings Such images are shown to have articulated concerns about the impact of female literacy on labour environments and family life while in many cases challenging conventions of gendered reading Kathryn

Brown also presents an alternative way of conceiving of modernity in relation to nineteenth century art a methodological departure from much recent art historical literature Artists discussed range from Manet Cassatt and Degas to less familiar figures such as Lavieille Carri Toulmouche and Tissot [Ekphrastic encounters](#) David Kennedy, Richard Meek, 2018-12-05 This book offers a comprehensive reassessment of ekphrasis the verbal representation of visual art Ekphrasis has been traditionally regarded as a form of paragone competition between word and image This interdisciplinary collection of essays seeks to complicate this critical paradigm and proposes a more reciprocal model of ekphrasis that involves an encounter or exchange between visual and textual cultures This critical and theoretical shift demands a new form of ekphrastic poetics which is less concerned with representational and institutional struggles and more concerned with ideas of ethics affect and intersubjectivity Ekphrastic encounters brings together leading scholars working in the field of word and image studies and offers a fresh exploration of ekphrastic texts from the Renaissance to the present day Taken together the chapters establish a new set of theoretical frameworks for exploring the ekphrastic encounter [Gender, Space, and the Gaze in Post-Haussmann Visual Culture](#) Temma Balducci, 2017-03-27 Relying on a range of visual and written sources Gender Space and the Gaze offers fresh ways of considering how masculinity and femininity were lived in late nineteenth century Paris The book moves beyond shopworn dichotomies rooted in Baudelaire's *The Painter of Modern Life* 1863 that have shaped scholarship on this period [Bookforum](#), 2003 [The Studio](#), 1901 [Beauty Marks](#) Holly Lynn Grout, 2008 [Stanford Humanities Review](#), 1992 [Ridpath Library of Universal Literature](#), 1908 [A Woman with No Clothes on](#) V.
