Mangeur De Bicyclette:

The Bicycle Eater Larry Tremblay, 2005 Singularly obsessed with his all consuming passion for Anna the object of his adolescent desire the photographer Christophe Langelier is beside himself Ten years ago he failed the test of eating a bicycle for her as proof of his love and devotion Since then he has created a photographic catalogue of his only model complete with a glossary an Anna lexique in which the darkness and the light of her idealized being have shaded his language even as her ubiquitous image has crowded out his own identity Desperate to escape his unrequited love for Anna Christophe flees to the Island of Women off the coast of Mexico There he sacrifices his former self and begins his transformation from a man possessed to a man confused The Bicycle Eater is a comic surrealist novel of metamorphosis unleashed by hopeless desire a riotous colourful burlesque where nothing and no one remain what they seem
