ideas with Vietnamese norms and forms As a deep case study of important figures on the Vietnamese moderate left *On Our Own Strength* provides an injection of color and nuance into a history that is often too monochromatic *Public Opinion*, 1905 An Illustrated History of the Russian Revolution Valentin Astrov, Aleksandr Nikolaevich Slipepkov, J. Thomas, 1928 *New York Legislative Documents* New York (State). Legislature, 1920 *The Ashgate Research Companion to the Politics of Democratization in Europe* Tuija Pulkkinen, 2016-03-23 Democratization is a concept often used in academic book titles yet not many of them deal with the initial breakthrough of democratization This research companion presents an alternative view to the widespread assumption that Western democracies should be the normative reference for the study of democratization elsewhere Rather it questions the universal validity of such an assumption by searching the history of European politics and by paying specific attention to the struggles of democratization accomplished outside Western Europe The authors apply a comparative approach to analyzing debates in the primary sources in a number of countries and languages and situate the results into a broader European context Focusing on European democratization from different historical and analytical perspectives they discuss the politics concepts and histories involved in democratization as a complex of changes that has altered the conditions of political action and debate in the continent for the past two centuries *Theories of Revolution* Reidar Larsson, 1970 Marx His Times and Ours Rudolf Schlesinger, 2013-05-13 Published in 1998 Marx His Time and Ours is a valuable contribution to the field of Sociology and Social Policy Revolutionary Radicalism New York (State).
