## **Mankynde In Shakespeare:**

Mankynde in Shakespeare Edmund Creeth,2012-03-15 In this study Edmund Creeth discovers an intimate unique and previously unsuspected kinship between three Shakespearean tragedies Macbeth Othello and King Lear and the three oldest extant theological dramas about Mankynde The Castell of Perseverance Wisdom Who Is Christ and The Pride of Life Creeth s revolutionary discovery of parallels between the two sets of plays and his innovative method of studying these parallels suggest provocative new ways of looking at Shakespeare s tragedies and constitute a major new direction in Shakespearean scholarship

**Midwiving Subjects in Shakespeare's England** Caroline Bicks,2017-07-05 At the intersections of early modern literature and history Shakespeare and Women s Studies Midwiving Subjects explores how Shakespearean drama and contemporary medical religious and popular texts figured the midwife as a central producer of the body s cultural markers In addition to attending most Englishwomen s births and testifying to their in extremis confessions about paternity the midwife allegedly controlled the size of one s tongue and genitals at birth and was obligated to perform virginity exams impotence tests and emergency baptisms The signs of purity and masculinity paternity and salvation were inherently open to interpretation yet early modern culture authorized midwives to generate and announce them Midwiving Subjects then challenges recent studies that read the midwife as a woman whose power was limited to a marginal and unruly birthroom community and instead uncovers the midwife s foundational role not only in the rituals of reproduction but in the process of cultural production itself As a result of recent changes in managed healthcare and of increased attention to uncovering histories of women s experiences midwives past and present are currently a subject of great interest This book will appeal to readers interested in Shakespeare as well as the history of women and medicine

**Masculinity and Marian Efficacy in Shakespeare's England** Ruben Espinosa,2016-05-06 Masculinity and Marian Efficacy in Shakespeare s England offers a new approach to evaluating the psychological loss of the Virgin Mary in post Reformation England by illustrating how in the wake of Mary s demotion re inscriptions of her roles and meanings only proliferated seizing hold of national imagination and resulting in new configurations of masculinity The author surveys the early modern cultural and literary response to Mary s marginalization and argues that Shakespeare employs both Roman Catholic and post Reformation views of Marian strength not only to scrutinize cultural perceptions of masculinity but also to offer his audience new avenues of exploring both religious and gendered subjectivity By deploying Mary s symbolic valence to infuse certain characters and dramatic

situations with feminine potency Espinosa analyzes how Shakespeare draws attention to the Virgin Mary as an alternative to an otherwise unilaterally masculine outlook on salvation and gendered identity formation     Chief Pre-Shakespearean Dramas Joseph Quincy Adams,1924 A selection of plays illustrating the history of the English Drama from its origin down to Shakespeare     **Shakespeare's Library** W.
