Bible Manners & Customs G. M. Mackie, 2006-02 People magazine and many others owe their successful existence to the fact that we human beings like to know about other people Readers enjoy stories about famous and even not so famous people The Bible is full of people whose lives and even thoughts are open before us All of the drama of life is set before us in the Bible love and hate laughter and despair hope and fear The better we know the people of the Bible the more interesting it is the more fun it is to read and the more we can learn as we read it But the people of the Bible lived in a culture that was very different from ours If we are going to know the people of the Bible indeed if we are going to understand the Bible itself it is imperative that we learn something about the manners and customs of biblical times Imagine trying to understand modern culture without knowing how we dressed what we ate where we lived and about the jobs that people worked at all day Under those circumstances it would be easy to misunderstand something we said or did Yet most people know very little about the daily lives of the thousands of people who fill the pages of the Bible from Adam and Eve to the Apostle Paul The Bible becomes much easier to understand and a much more fun book to read if we take the time to learn about the manners and customs of the biblical culture The people of the Bible and the lessons in it become alive for us hold our attention and make sense When Samson said that the Philistines had plowed with my heifer he was not in any way referring to cattle he owned Just as our culture refers to girls in various ways including dolls babes chicks etc so in the biblical culture young girls were sometimes referred to as heifers Knowing that fact makes the passage understandable and more fun to read There are hundreds of examples in Scripture where the meaning of a verse is clear if the custom is known Understanding the manners and customs of the Bible can turn a frustrating session of Bible reading into a fun and meaningful session Knowing biblical manners and customs can mean the difference between understanding and misunderstanding the Bible This book makes known many of the manners and customs of the people of Palestine It covers many subjects including the climate they lived in that affected their daily lives the clothes they wore the food they ate the work that consumed their days their love and marriage the birth and raising of children their funerals and mourning and more It helps people understand and enjoy the

people of the Bible and the Bible itself **Manners and Customs in the Bible** Victor Harold Matthews,1991 This book provides a wealth of insight into life in Bible times gathered from the biblical text from important extra biblical sources as well as from the most recent archaeological findings The book is enriched with abundant maps and illustrations Manners and Customs in the Bible Hendrickson Publishers,1995-11-01 **New Manners & Customs of the Bible** James Midwinter Freeman,1998 Short of enrolling in a course in ancient Hebrew civilization this reference book is the quickest easiest and most enjoyable way to understand the people and culture of the Bible It is an invaluable key to unlocking a complete and accurate understanding of Scripture that is often hidden in ancient Hebrew culture **The New Manners and Customs of the Bible** James M. Freeman,2015-08-24 Have you ever wondered how a camel can go through the eye of a needle How the four men got their paralytic friend through the roof to Jesus What it means to greet one another with a holy kiss This book answers these questions and others In it you will learn who the magi were how lots were used and what it means to be engraved on the palm of God s hand This valuable resource goes book by book through the Bible explaining many customs practiced in Bible times Not only is it easy to understand but it is also filled with many helpful illustrations This useful tool will greatly aid anyone wanting to understand more about the Bible *Manners and Customs of the Bible: A Complete Guide to the Origin and Significance of Our Time-Honored Biblical Tradition* James Freeman,1978 Manners and Customs of the Bible James M.
