Lee,2024-02-08 If we are to understand the purpose and meaning of human life we must go to the Bible The purpose and meaning of human life is found in the Bible and the first great point in the Bible is creation Thus our consideration of the Scriptures must begin with God s creation God created man as a vessel to contain Him However in the Garden of Eden God s enemy Satan came in and caused man to fall He usurped and corrupted man But eventually the Lord Jesus came God became a man He lived a human life and went to the cross to die Through His death He redeemed man and dealt with all the negative things in the universe and then He resurrected and brought us into resurrection Through Christ s redemption God was able to achieve the purpose for which He had created man namely He was able to put Himself in Christ into us and then bring us back to Himself **Man's Redemption of Man** Osler William,2016-06-23 Unlike some other reproductions of classic texts

A Christian Theology On Man s Need Of Redemption God s Redemptive Purpose And Christ s Redemptive Work is proposed to cover commonly three points in the field of Christian doctrine I understand the treatment is insufficient The idea of the subject blocks sufficiency Who could give a sufficient treatment to such a subject There are radical and quick changes occurring in the field of theology One endeavors the supposition that the vast majority of the progressions are currently the correct way Men are turning their contemplations toward the need and reality of revelation of man s wrongdoing sin and powerlessness of both the individual and social disappointment of man without God of the sufficiency of God s grace for man s need and of the centrality of Jesus Christ and his saving work for mankind s history The matter of Christian religious theology is to analyze and set out as exactly as possible precisely as could be allowed how God saves men in this truly evil

world not to hypothesize about what God would have done in an entirely different sort of world It ought to be recalled that theology is concerned first last and constantly with the character of God Theology is concerned about nothing else other than to express how God saves men in an evil world Man does not live by bread alone It is increasingly essential that man have something to live for than that he have something to live on and existence without God isn't true life Present day man needs to confront that reality and acknowledge it No mention of the work of the Holy Spirit is mentioned for it is covered in a previous publication entitled The Holy Spirit Finally Reverend Dr Wylie is devoted to publishing books that spread the gospel of Jesus Christ helping Christians to live as per that gospel advance restoration revival in the church give testimony regarding Jesus Christ Christian Unity and Fellowship in Christian Love

Excop Tom Brado thought his life was over His wife and three children are gone killed by a criminal he could never catch Once a big city detective and devout Catholic Tom has exiled himself away in the small town of Rocky Hills Here he can forget his past forget faith and forget God or so he thinks For five years life goes on like this but it all changes one day when a priest knocks on Tom's door He's rebuilding an old church in town and wants Tom's help At first Tom is not interested but after a confrontation with the town sheriff Tom decides to get involved with the priest after all Initially only wanting to use the priest for information about the sheriff Tom gradually begins to find himself truly caring about the priest's mission and begins to find a renewed faith in God But Tom's problems are far from over because the sheriff is still after him and it seems no one in town will stand up to him Tom suspects the sheriff is hiding something but doesn't know how to uncover it Not until a man who left town many years earlier returns and offers to help Tom Tom isn't sure if he can trust his new friend but what choice does he have Slowly Tom learns how each character's past is connected and tragic just like his Tom also finds a new faith in God and begins to rebuild his life But the sheriff is not giving up and Tom's efforts lead him to a final showdown where either a corrupt sheriff will fall or he will destroy Tom and his new friends The town of Rocky Hills is hiding a lot more than meets the eye and slowly Tom begins to see his mission in life is to help it find healing and faith in God once again But can he do it or will a corrupt sheriff and Tom's own demons destroy him and the rest of the town with him
