Mans Aggression The Defense Of The Self:

Man's Aggression Gregory Rochlin,1973 **Man's Aggression** Gregory Rochlin,1973 *The Mind of the Political Terrorist* Richard M. Pearlstein,1991-07 *Controversies In Criminal Law* Michael J. Gorr,2019-04-02 When philosophers have turned their attention to criminal law they have tended to emphasize problems about the criminalization of acts and the justification for the punishment of those who commit such acts But there has been a recent wave of significant and exciting philosophical work on issues surrounding two other topics in criminal law Given the performance of a criminal act what establishes criminal And what should the state be allowed to use in trying to establish liability In this carefully edited volume Michael J Gorr and Sterling Harwood present a generous selection of papers representing the best of this new work Avoiding overly abstract pieces in favor of essays that highlight both the philosophical questions and what actually happens on the street and in the courtroom they have produced a book that is accessible and relevant to the concerns of students *Controversies in Criminal law* is an innovative and useful contribution to the teaching of philosophy of law and the foundations of criminal justice It will be widely used in philosophy departments law schools and schools of criminal justice

Family Violence and Abuse Sonia Salari,2023-11-30 A RUSA Outstanding Reference Source 2025 This two volume encyclopedia surveys all aspects of violence and abuse in domestic family environments including specific types of abuse laws and legal issues and the impacts of abuse Wide ranging and authoritative this resource provides extensive coverage of widely recognized forms of violence and abuse in family settings including physical verbal and emotional abuse of spouses and intimate partners both female and male as well as children In addition the encyclopedia scrutinizes less recognized types of violence and abuse in households such as abuse of siblings by other siblings and abuse of parents or grandparents by children and grandchildren both minor and adult *Family Violence and Abuse* is a valuable resource for readers seeking a better understanding of the true scope and impact of these various forms of violence and abuse important factors that contribute to incidence of family violence and abuse and the various laws programs and therapy alternatives that have been created to help victims of abuse and rehabilitate offenders Gender and Domestic Violence Brenda L. Russell,John Hamel,2022 Societal beliefs that domestic violence is primarily a crime against women otherwise known as the gender paradigm involves the presumption that domestic violence is about the abuse of women by men *Gender and Domestic Violence* directly challenges this prevailing paradigm by demonstrating how it has led to differential treatment that can jeopardize defendant due process and victim safety Experts legal scholars and practicing attorneys provide tools to become more inclusive in the process and practice of domestic violence criminal justice policies *What Causes Men's Violence Against Women?* Michele Harway,James M. O'Neil,1999-09-09 Carefully organized and tightly edited this insightful book considers potential causes of men s violence against women utilizing a variety of theoretical perspectives It summarizes what is known about the multiple causes of men s violence against women and the importance of identifying men s risk factors in

order to prevent future violence The editors approach is unique but systematic In chapter 2 the editors present a preliminary multivariate model that explains men s violence against women by identifying four content areas macrosocietal biological gender role socialization and relation factors Within these four areas the editors develop thirteen preliminary hypotheses about the causes of men s violence against women In the subsequent chapters the contributing authors critique or react to specific parts of the multivariate model and address one or more of the 13 hypotheses in the presentation of their own ideas about the causes of men s violence against women In the concluding chapter the editors summarize the contributors reactions to the original hypotheses by creating a revised multivariate model of risk factors for men s violence against women The final model includes biological socialization psychological psychosocial relational and macrosocietal factors Furthermore the model is explained through 13 theoretical propositions 40 research hypotheses and over 60 risk variables related to men s violence against women The book closes with a discussion of men s protective resiliency and vulnerability factors as well as future directions for theory development advocacy and the prevention of violence against women
