The purpose of this part of the monograph is to discuss the hypnotic response and to present two methods for achieving it

Part II The purpose of this part of the monograph is to outline an extremely effective procedure for obtaining self control

through the use of tape recordings which you can easily make yourself This part of the monograph contains a new idea for

although the idea of giving commands to oneself directly without the formal use of hypnosis goes back at least to Cou c 1920

and no doubt much farther a careful search of the literature seems to indicate that the idea of programming by means of the

repeated use of a recording the subconscious mind to respond directly to arbitrary commands from the conscious mind is

original with the author and consistent with the conclusions of other researchers His method helps a person realize his or her

potential in what appears to be an innate ability      *The Master Course in Hypnotism* Harry Arons,1948      Strategic

Self-Hypnosis Roger A. Straus,2000-04 The classic best selling guide to self improvement through self hypnosis completely

updated with new techniques What would you and your life be like if you could reach your peak potential and become the

person you want to be Any of the things you imagine could be yours if you take back control over your thoughts and feelings

by following the principles and methods of strategic self hypnosis which have been used successfully by thousands of people

since 1982 Now these proven easy to use methods have been updated to provide you with even more effective techniques

that will unleash the power of your creative imagination allowing you to stop suffering from stress and worry overcome bad

habits reach your true potential achieve maximum performance in work study sports and your personal life overcome pain

and negativity Strategic Self Hypnosis gives you the step by step guidance and techniques you need to break down self

imposed barriers and gain full control over your mind and body Dr Straus shows you how to tailor a life changing strategy to

your needs and goals and how to begin implementing your action plan immediately You ll learn the three basic principles of

strategic self hypnosis how to relax and let go how to vividly envision the new realities you want for yourself and how to allow

yourself to make it happen And to have fun in the process With Strategic Self Hypnosis you will be able to make your life

work out the way you want it to      Murder Voodoo Hypnosis and the Jag Robert E. Jagger,2008-08 Bethie is a small town

woman searching for the happiness she believed would accompany her transition into motherhood In search of financial

stability and emotional support Bethie takes the courageous opportunity to step outside of herself and help another woman

Celia is the gypsy soul suffering from the stigmatization of having AIDS Her timeless wisdom and new age insight inspire Bethie to accept a position to nursemaid for Celia's infant daughter Nursemaid for Hire is the unforgettable story of the power of women It portrays the dedication of two mothers to show their community and their families the strength of spirit needed to persevere in the face of adversity and emerge stronger people Insightful tough witty and heart warming this book will make you think about the roles of women in a different light and it will inspire you to find your voice The characters are relatable and imperfect their journey is extraordinary The author has creatively weaved a fast paced controversial story one as unique as you will ever read

*Investigative Forensic Hypnosis* Joe Niehaus, 1998-07-29 Historically viewed as a vehicle for entertainment or the occult hypnosis has slowly gained recognition as an effective tool in the medical arts sports programs and stress seminars Gradually law enforcement specialists also have used hypnosis specifically forensic hypnosis as a powerful tool when collecting information from the witness Hypnosis serves police and prosecutors by enabling the witness to recall minute details that they had previously forgotten due to momentary excitement or fear Investigative Forensic Hypnosis presents the practical application and scientific side of this subject explaining forensic hypnosis in an understandable way answering many common questions and identifying its practical use in the courtroom The author with 22 years of experience in law enforcement and 14 years experience in forensic hypnosis brings his outstanding law enforcement background and valued expertise to this important informative handbook dissolving misconceptions or doubts and illuminating forensic hypnosis as a valuable advantage in any case Two parts divide the discussion The Essence of Hypnosis covers the origins of hypnosis to its current uses o explains hypnosis from a scientific approach o clarifies misleading information o provides a logical approach to this unusual phenomenon o illustrates its potential in law enforcement Investigative Forensic Hypnosis arms its reader with a clear understanding of hypnosis o discusses applications to the criminal justice system o outlines essential guidelines for correctly using forensic hypnosis o identifies specific procedures for determining the facts of a case The information presented assists the hypnotist performing this investigative technique the investigator considering hypnosis lawyers and judges determining the appropriate application of hypnosis in a case This book provides the framework for hypnosis as a successful and dependable tool to assist in investigations not to solve crimes by magic but to provide useful indispensable clues and details This technique improves information gained from that most important asset in a case the witness Understanding the proper guidelines provided in Investigative Forensic Hypnosis can make a good witness a great witness
