New Readings In John:

New Readings in John Johannes Nissen, Sigfred Pedersen, 2004-10-27 This collection offers new studies on classical and modern problems in relation to the Fourth Gospel. There are essays on John and the Synoptics and on John and the Qumran Scrolls. Other essays present new literary approaches such as the question of the implied reader, biblical imagery and irony and sectarianism. Central theological issues are discussed including the problem of anti Judaism, the interpretation of the death of Jesus, the concept of mission, the relation between community and ethics and the understanding of God in the Johannine writings.

Reading John Charles H. Talbert, 1994 Reading John concentrates on the literary and theological distinctives of the Fourth Gospel and the Johannine Epistles. New Testament scholar Charles Talbert's unique commentary considers the entire scope of these works attributed to John: their literary settings and particularities and their continuing theological importance to the Christian story. Thoughtful and engaging, *Reading John* is an essential book for students and ministers studying the New Testament and the Johannine writings.

Reading John Christopher W. Skinner, 2015-04-03 The Gospel of John is often found at the center of discussions about the Bible and its relation to Christian theology. It is difficult to quantify the impact John's Gospel has had on both the historical development of Christian doctrine and the various expressions of Christian devotion. All too often, however, readers have failed to understand the Gospel as an autonomous text with its own unique story to tell. More often than not, the Gospel of John is swept into a reading approach that either conflates or attempts to harmonize with other accounts of Jesus' life. This book emphasizes the uniqueness of John's story of Jesus and attempts to provide readers with a road map for appreciating the historical context and literary features of the text. The aim of this book is to help others become better, more perceptive readers of the Gospel of John with an ability to trace the rhetoric of the narrative from beginning to end.

Reading John through Johannine Lenses Stan Harstine, 2022-02-04 Reading John through Johannine Lenses demonstrates that the model an interpreter chooses for examining the Gospel of John significantly impacts the resulting interpretation. The Fourth Evangelist uses key words in the prologue in order to guide the reader toward key moments in the gospel. Stan Harstine shows how four words life, word, receive, and believe converge at transition points in John 5, 12, and 17. Their close relationship is not random; rather, it guides the reader to recall what the Gospel has presented in the preceding section, providing a road map for understanding the narrative. By using interpretive models from both diachronic and synchronic methodologies, Harstine's comparison of traditional historical methods with more recent narrative and rhetorical methods demonstrates the wide disparity of results from prior approaches, thus accentuating the importance of reading the Fourth Gospel through the lenses it provides its readers.
