Self-initiated Expatriation Maike Andresen, Akram Al Ariss, Matthias Walther, 2013 Globalization and the development of multinational organizations have led to an increase in the number of people spending part of their lives living and working in foreign countries While the contemporary literature has focused on organizational expatriates sent overseas by their employers self initiated expatriation is becoming an important area of study in its own right Studies on self initiated expatriation explore the labor market positions of individuals who have relocated under their own initiative However no comprehensive book exists on the dynamics that underlie this type of mobility This edited volume offers a holistic picture of self initiated expatriation and the groups that pursue it emphasizing many aspects for departure including career development and career capital It is the first book on the market to explore the issues pertaining to self initiated expatriation from a variety of perspectives with important theoretical and practical implications In an era of global war for talent companies face difficulties in finding highly skilled employees Self initiated expatriates have the potential to fill this talent gap National economies thus have an interest in creating favorable conditions to attract self initiated expatriates and provoke their repatriation and this book explores the conditions that achieve the return of employees with skills that are in demand outside of their home countries

The Changing Face of People Management in India Pawan S. Budhwar, Jyotsna Bhatnagar, 2008-11-26 India has been identified as one of the biggest emerging markets in the world Indian organizations have increasingly begun to understand the importance of human resources and have started to take into account the motivation commitment and morale of its workforce Despite great advances in human resource practices in India the relevant literature on this subject remains scarce This book seeks to fill the critical gap in the literature by providing a thorough understanding of the changing face of Indian HRM systems Seeking to provide a comprehensive overview of Indian HRM practices the book is structured into five parts Developments in Indian HRM Determinants of Indian HRM Sector specific HRM Emerging themes Future challenges and the way forward The Changing Face of People Management in India is written exclusively by Indian natives in order to minimise the Western bias and to provide a realistic picture of HRM practices in India This book is a key resource for anyone studying or working in HRM or international business or with an interest in the unique Indian HRM context
