**INTRODUCTION**

FOURTH EDITION

# New Testament Introduction

**Delbert Burkett**

## New Testament Introduction:

**The New Testament** Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament. Hagner deals with the New Testament both historically and theologically employing the framework of salvation history. He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety. Although the volume covers typical questions of introduction such as author, date, background and sources, it focuses primarily on understanding the theological content and meaning of the texts, putting students in a position to understand the origins of Christianity and its canonical writings. Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship. The book includes summary tables, diagrams, maps and extensive bibliographies.

## **A Critical Introduction to the New Testament**

Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses: it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious, theological and ethical issues related to the message and meaning of Jesus Christ. The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding. By giving special emphasis to how the New Testament has helped shape the church's identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West, this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public. Along with separate chapters devoted to each New Testament writing, there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith, why they were recognized as canonical, whereas other early Christian writings were not; how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem; how the Jesus tradition, his teachings, stories from his ministry and the accounts of his suffering, death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is. Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church. This chapter includes a discussion of ancient letter writing, special considerations for interpreting the Pauline writings and Paul's decisive influence within the history of the church and western culture.

## **The New Testament in Its World**

N. T. Wright, Michael F. Bird, 2019-11-19 Your ticket from the twenty first century to the era of Jesus and the first Christians. A readable one volume introduction placing the entire New Testament and early Christianity in its original context, written by distinguished scholar and author N. T. Wright. An ideal guide for students, *The New Testament in Its World* addresses the many difficult questions faced by those studying early Christianity, including: What was the first century understanding of the Kingdom of God? What is the meaning of the resurrection in its original context? What were the Gospels and how did they

come about Who was Paul and why are his letters so controversial Written for both classroom and personal use this book brings together decades of ground breaking research writing and teaching into one volume It presents the New Testament books along with their subjects Jesus and the early church within the historical and social context of Second Temple Judaism and Greco Roman politics and culture The New Testament in Its World allows you to recover the excitement of what it was like to live as Christians in the first or second centuries Features include Surveys of each New Testament book that discuss their significance and provides commentary on their contents along with implications for the Christian life Major sections on the historical Jesus the resurrection of Jesus and Paul s chronology and theology Up to date discussions of textual criticism and the canonization of the New Testament Frequent illustrations maps charts diagrams and artwork provide additional explanations and insights A distillation of the life work of N T Wright on the New Testament with input from Michael Bird Also available are Video and Workbook companion resources sold separately to enhance learning and experience the world of the New Testament An Introduction to the New Testament DAVID A DESILVA,2020-05-21 Professor deSilva s outstanding textbook sets a new standard for the genre The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation The attractive layout includes numerous maps photographs and text boxes **An Introduction to the New Testament** Raymond Edward Brown,1997 While a wealth of information is contained in these pages the work s most impressive features are the basic summaries of each book a historical overview of the ancient Greco Roman world discussions of key theological issues and the rich supplementary materials such as illustrative tables maps bibliographies and appendixes *New Testament Introduction* Donald Guthrie,1965 *An Introduction to New Testament Christology* Raymond Edward Brown,1994 Examines christology s Or evaluations of Jesus identity and divinity based upon his words his public ministry and the Resurrection *Companion to the New Testament* James Crossley,Michelle Fletcher,2024-08-30 The Companion to the New Testament offers intelligent enrichment for encounters with the New Testament Covering both historical critical approaches and the history of interpretation it provides a launchpad for students wrestling with some of the complex debates and concerns presented by the canon Contributors include James Crossley Rodolfo Galvan Estrada III Michelle Fletcher Michael Scott Robertson Kelsie Rodenbiker Sarah E Rollens Isaac T Soon and Wei Hsien Wan The New Testament, an Introduction Norman Perrin,Dennis C. Duling,Robert L. Ferm,1982 **An Introduction to the New Testament for Catholics** Joseph F. Kelly,2016-03-24 The title of this book may be a bit puzzling a Catholic introduction to the New Testament The New Testament belongs to all Christians and the modern study of the New Testament has benefited from the contributions by scholars of all Christian denominations But there are questions and issues in the New Testament that are specific to Catholics such as the portrayal of Jesus mother Mary the commissioning of Peter and the Trinity In this volume Joseph Kelly provides an introduction to the New Testament for students and deals with the concerns of modern Catholics reading the

Bible It is a book that Catholic teachers can use rather than a book that presents them with problems they have to explain Kelly helps readers to understand what modern scholars especially Catholic biblical exegetes say about the individual books because we cannot understand what role Jesus can play in modern life if we don't understand what he meant to the earliest Christians The New Testament tells the story of Jesus the most remarkable person who ever lived and of his disciples It includes some of the most famous narratives in the world and the most memorable words ever spoken It introduces us to great people who moved history and of those who took the difficult step of leaving the religions of their ancestors and families to become Christians Kelly shows that in looking at the New Testament we see real people communicating with us sharing their beliefs their fears and their hopes Distant yet familiar challenging yet comprehensible the New Testament is a precious heritage and one that Kelly recommends we must make our own Joseph F Kelly PhD is professor of religious studies at John Carroll University in Cleveland Ohio He is the author of *The World of the Early Christians* *The Problem of Evil in the Western Tradition* *Responding to Evil* *The Origins of Christmas* and *The Collegeville Church History Time Line* published by Liturgical Press *An Introduction to New Testament Thought* Frederick Clifton Grant,1950 A comprehensive survey of key ideas in New Testament theology written by a leading scholar Provided by publisher *Fortress Introduction to the New Testament* Gerd Theissen, All the main issues for reading the New Testament are covered in this exciting new introduction by one of the world's foremost biblical scholars *A Walk Through the New Testament* Margaret Nutting Ralph,2009 A Walk Through the New Testament is a companion volume for adult Catholics as they read the New Testament helping them apply the Catholic approach to Scripture the contextualist approach to their reading in order to better understand what inspired biblical authors are teaching them about their relationship with God *New Testament Story* David L. Barr,1987 The thesis of this book is that every New Testament writing stands within a story even if it does not tell stories The approach allows readers to view the documents as vital elements in the lives of real persons The book maintains its focus on bringing the writings alive and shows how critical study enhances understanding of their meanings Its prime goal is teaching students to read these writings for themselves bridging the chasms of language history and culture that separate them from us The latest methods of research are utilized in this quest but the focus always remains on the New Testament documents

Notes on New Testament Introduction Danny McCain,1996 *A Concise Guide to Reading the New Testament* David R. Nienhuis,2018-01-02 The New Testament came together and comes to us not as a randomly sorted set of individual books but as a definitely shaped and ordered whole This concise theological introduction to the New Testament sheds light on the interpretive significance of the canon's structure and sequence and articulates how the final shape of the canon is formative for Christian discipleship Providing an essential overview often missing from New Testament books and courses this book will serve as an accessible supplement to any New Testament or Bible introduction textbook *An Introduction to the New Testament and the Origins of Christianity* Delbert Burkett,2002-07-10 This book first published in 2002 offers an

authoritative and accessible introduction to the New Testament and early Christian literature for all students of the Bible and anyone interested in the origins of Christianity. It is designed primarily for undergraduate courses in the New Testament biblical studies and early Christianity. Delbert Burkett focuses on the New Testament but also looks at a wealth of non-biblical writing to examine the history, religion, and literature of Christianity in the years from 30 CE to 150 CE. An appendix containing translations of primary texts allows instant access to the writings outside the canon. With this textbook and the Bible, the student should therefore have all the necessary basic texts. The book is organised systematically with questions for in-class discussion and written assignment, step-by-step reading guides on individual works, special box features, charts, maps, and numerous illustrations designed to facilitate student use.

**The New Testament** Stephen L. Harris, 1999

**An Introduction to the New Testament** D. A. Carson, Douglas J. Moo, Leon Morris, 1992

**Engaging the New Testament**

Miguel G. Echevarría, 2024-04-16

Many introductions to the New Testament focus on historical critical issues with only cursory discussions of the text. In *Engaging the New Testament*, Miguel Echevarría overviews the New Testament writings in their canonical order, showing how each book has a purposeful function within the larger context of Scripture. He provides streamlined and accessible background discussions related to the New Testament writings to enable students to focus on interpretive issues. The book is informed by the latest scholarship yet accessible to those with no prior theological education. This concise introduction to the New Testament is well suited to one-semester survey courses. It addresses the needs and questions of students in multicultural classrooms who are studying for ministry. Sidebars encourage readers to think about applying the Bible to various ministry contexts such as the pastorate, missions, and counseling.

## **New Testament Introduction Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading New Testament Introduction free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading New Testament Introduction free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading New Testament Introduction free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading New Testament Introduction. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading New Testament Introduction any PDF files. With these platforms, the world of PDF downloads is just a click away.

## **FAQs About New Testament Introduction Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
