New Testament Spirituality:

An Outline of New Testament Spirituality Prosper Grech, 2011-03-09 In this compact book Prosper Grech provides an overview of the various elements of spirituality present in the New Testament Grech an Augustinian Father defines spirituality not in a New Age sense but rather as the full response in the life of a believer to God's offer of salvation in Christ He outlines key spiritual themes of early Christian belief drawn from Genesis the Psalms the Synoptic Gospels Paul's epistles the letter to the Hebrews and the Johannine Gospel letters and apocalypse all crucial documents in the life of the New Testament churches Drawing these various theological strands together Grech crafts a complex portrait of a dynamic yet contemplative Christian spirituality a spirituality that not only saturated the New Testament church but continues to animate Christian life today

The Spirituality of the New Testament and the Fathers Louis Bouyer, 1963 In the first part of this volume the author pays special attention to the Jewish foundations of Christianity before examining in detail the teaching and influence of Jesus the Primitive Church and St Paul the Synoptic Gospels the Johannine writings the Epistle to the Hebrews and the epistles linked with the names of Peter James and Jude Part Two describes and discusses the spirituality of the first Christian generations the martyrs the problem of Gnosis in its different manifestations the different schools of monasticism and mysticism in Eastern and Western Christianity and the writings and teachings of the Fathers concluding with St Benedict This history will be in the final analysis the search for and the bringing to light of the integral witness of tradition and of Christian experience to the whole concrete reality of life in Christ Jesus Book jacket

The Old Testament and Christian Spirituality Michael E. W. Thompson, 2019-04-29 Spirituality is a major concern in the modern world although its meaning is not easy to pin down In Scripture it concerns human life lived out in relationship with God In this book Michael Thompson explores aspects of Old Testament spirituality He considers the spiritual life through what the Hebrew Bible says about creation and covenant deliverance and judgment worship living in community inhabiting an ever changing world with questions about suffering yet also with ethical concerns and a future in God's possible ongoing care Each chapter concludes with a section exploring the ongoing relevance of Old Testament spirituality for Christians today

Understanding the New Testament and Its Message Vincent P. Branick, 1998 A solid well done introduction to the New Testament for undergraduates that explores teaching on faith issues as well as the theology and spirituality of the New Testament Reflections study questions charts and indexes are included

The Bible and Spirituality Andrew T. Lincoln, J. Gordon McConville, Lloyd K. Pietersen, 2013-07-05 The essays in this volume aim to contribute to the newly developing academic subject of biblical spirituality It is prompted by the belief that although the Christian tradition has always nurtured an emphasis on spirituality rooted in the Bible and its interpretation few biblical scholars until recently have pursued their work by making connections with either this religious

tradition or present day interest in the broader phenomenon of spirituality Spiritual interpretation has overlaps with theological interpretation but is distinctive because of its focus on the wisdom of lived experience and practice The essays therefore attempt from within the context of the academy responsible readings of Scripture that have as a major focus the study of how particular texts might contribute to a spirituality in which individual and communal flourishing is a major feature The essays began as papers produced for an international symposium on the Bible and Spirituality in May 2012 hosted by the Centre for the Study of the Bible and Spirituality in the School of Humanities at the University of Gloucestershire

New Testament Spirituality John Buckel, Saint Meinrad School of Theology, 19?? **Great Themes of Scripture: New Testament** Richard Rohr, 2013-11-04 The New Testament is sometimes called the New Covenant signifying a new relationship between humanity and God From the viewpoint of salvation history the New Testament is the completion and the culmination of the Old Testament In terms of length it is only a small portion of the entire Bible and yet it is that portion which brings it all together Richard Rohr and Joseph Martos look at the many ways salvation themes are proclaimed by the various authors and literary styles of the New Testament
