New Testament Survey Merrill C. Tenney, 1985-08-28 Written in a clear non technical style *New Testament Survey* is an analytical and historical survey which sets forth the message of the New Testament against a fully integrated picture of the world of the first century. *A Popular Survey of the New Testament* Norman L. Geisler, 2014-09-09 Uncovering the content structure and teachings of the New Testament. Understanding the New Testament is a daunting but exciting task. Our world is so different from that of the first century. The dress, travel, vocation and custom of biblical characters are all foreign to us. Yet it is important to understand the context and content of the New Testament if we are to be faithful followers of Jesus Christ. *A Popular Survey of the New Testament* is designed to help ordinary people enrich their understanding of New Testament people and events. It addresses many questions that readers of the Bible may have such as Who wrote the books of the New Testament and to whom were they writing? When were these books written and why? How can a warning about first century Gnostics help Christians today? What can today's believers get out of a letter about a slave returning to his master? How can we understand difficult passages in the New Testament? Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament.
