have remained relevant In the world of today globalised yet divided advanced yet insecure they continue to be so This is because they contain revelations of human nature as well as socio political events and can help the governance of countries as well as everyday conduct Remaining loyal to the Sanskrit sources here the author has both abridged and expanded the Vikram and Vetala lore prevalent in India

Guardian's Joy #3 Jacqueline Rhoades, 2012 She is not every man's ideal woman but it only takes one JJ Justice has spent her adulthood lost and alone and vulnerable to the haunting of a past she can't remember It's no wonder she feels different from other people and not surprising that she chose the police force as a way of standing up for others who are defenseless against the evils of the world but when her only friend and partner is brutally murdered by a creature not of this world JJ discovers a greater purpose She is called to hunt the monsters only she can see Once again she resigns herself to living her life alone Guardian of the Race Bernardo and Torneo longs for a woman of his own one that is as fun loving and loyal as his Liege Lord's Lady Grace and as soft and gentle as his fellow Guardian's mate Hope but the chances of meeting such a woman seem slim to none What with the nightly patrols and his gaming business he hasn't the time to go searching for love Besides he's seen too many matings that didn't work out Bernardo is sworn to protect his people and their human cousins from the demons who cross over from the Otherworld He never thought he would be hunting a vampire just like he never thought of falling in love with a leather clad ex cop who can kick demon butt with the best of them How do you romance a woman who thinks more of knives than roses And how do you help her fight the demons of her soul when she can't remember who they are Bernardo doesn't know but he's determined to find out He only hopes he and his new love can find the answers before a monster from Joy's past takes away the only woman he will ever love
