New Proclamation Year 2004 2005 Advent Through Holy Week:

A New Proclamation Year 2004-2005 Herman C. Waetjen, Jack Dean Kingsbury, Dale P. Andrews, Alice L. Laffey, 2004
New Proclamation the popular and widely used preaching resource series helps preachers write better sermons from Advent to the end of the church year. It offers first class exegesis and homiletical advice, important observations about the liturgical season and setting, and an array of new features to help spark the homiletical imagination and connect the readings to contemporary life and culture. Preaching Prophetic Care Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25
Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community. Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel. The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice. **New Proclamation, Year C, 2004 Easter Through Pentecost** Neil Elliott, Richard Carlson, Jeanne Stevenson Moessner, 2004
Readers Clergy seminary students professors of preaching lay preaches *A Graceful Embrace: Theological Reflections on Adopting Children*, 2017-11-20
This book significantly deepens the contemporary discussion of the theology and practice of adopting children. Though adoption appears prominently in Scripture contemporary adoption practice has thus far proceeded without serious theological engagement. This book seeks to fill this gap by offering a theological and ethical perspective on adoption that not only clarifies and complicates contemporary understandings of adoption but also throws fresh light on family community vocation and even what it means to be human. Both interdisciplinary and international the volume brings together theologians and ethicists from Europe the UK Canada and the United States. A rich set of reflections from both practical and theoretical perspectives offers a unique and uniquely insightful vision of Christian adoption.
