**Rogers Profanisaurus** Random House, 1998-09-01      **Roger's Profanisaurus Iv Magna Farta** Michael Chabon, 2008-10      **A Curious History of Sex** Kate Lister, 2020-02-06 This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices and sex remains a deeply divisive issue around the world. Attitudes will change and grow hopefully for the better, but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project *Whores of Yore* and written with her distinctive humour and wit, *A Curious History of Sex* draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang and illustrated with eye-opening toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.      **The New Partridge Dictionary of Slang and Unconventional English: J-Z** Eric Partridge, 2006. Entry includes attestations of the head word or phrase's usage, usually in the form of a quotation. Annotation. 2006. The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post-WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium, with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean. Emphasis on post-World War II slang and unconventional English. Published sources given for each entry, often including an early or significant example of the term's use in print. Hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords. Dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years.
