New Sexuality:

Introducing the New Sexuality Studies Nancy L. Fischer, Steven Seidman, Chet Meeks, 2016-07-11 Introducing the New Sexuality Studies is an innovative reader friendly anthology of original essays and interviews that introduces the field of sexuality studies to undergraduate students. Examining the social cultural and historical dimensions of sexualities this anthology is designed to serve as a comprehensive textbook for sexualities and gender related courses at the undergraduate level. The book's contributors include both well established scholars including Patricia Hill Collins, Jeffrey Weeks, Deborah L. Tolman and C J Pascoe as well as emerging voices in sexuality studies. This collection will provide students of sociology, gender and sexuality with a challenging and broad introduction to the social study of sexuality that they will find accessible and engaging.

Introducing the New Sexuality Studies Steven Seidman, Nancy L. Fischer, Chet Meeks, 2011-02-25 Breaking new ground both substantively and stylistically this book offers students, academics and researchers an accessible, engaging introduction and overview of the emerging field of sexuality studies.

Introducing the New Sexuality Studies Nancy L. Fischer, Laurel Westbrook, Steven Seidman, 2022-06-07 Introducing the New Sexuality Studies: Original Essays is an innovative reader friendly collection of essays that introduces the field of sexuality studies to undergraduate students.

Examining the social cultural and historical dimensions of sexuality this collection is designed to serve as a comprehensive yet accessible textbook for sexuality courses at the undergraduate level. The fourth edition adds 51 new essays whilst retaining 33 of the most popular essays from previous editions. It features perspectives that are intersectional, transnational, sex positive and attentive to historically marginalized groups along multiple axes of inequality including gender, race, class, ability, body size, religious identity, age and of course sexuality. Essays explore how a wide variety of social institutions including medicine, religion, the state and education shape sexual desires, behaviors and identities. Sources of and empirical research on oppression are discussed along with modes of resistance, activism and policy change. The fourth edition also adds new user friendly features for students and instructors. Keywords are italicized and defined and each chapter concludes with review questions to help students ascertain their comprehension of key points. There is also an online annotated table of contents to help readers identify key ideas and concepts at a glance for each chapter.

Emergent Identities Rob Cover, 2018-09-13 Examining the emergence of new sexual and gender identities in the context of an ever changing digital landscape. *Emergent Identities* considers how traditional binary understandings of sexuality and gender are being challenged and overridden by a taxonomy of non binary, fluid classifications and descriptors. In this comprehensive account of the ongoing shift in our understandings of gender and sexuality, Cover explores how and why traditional masculine, feminine and hetero homo dichotomies are quickly being replaced with identity labels such as heteroflexible, bigender, non binary, asexual, sapiosexual, demisexual, ciswoman and transcurious. Drawing on real world data, Cover considers how new ways of perceiving relationships, attraction and desire are contesting authorised institutional knowledge on gender and sexuality. The book

explores the role that digital communication practices have played in these developments and considers the implications of these new approaches for identity individuality creativity media healthcare and social belonging A timely response to recent developments in the field of gender identity this will be a fascinating read for students of Psychology Gender Studies Media and Cultural Studies and related areas as well as professionals in this field

Technologies of Sexiness Adrienne

Evans,Sarah Riley,2014-08-01 Key cultural shifts have enabled a new sexualization of women Neoliberal consumerist and postfeminist media culture have shaped ways of understanding female sexuality embodied by the figure of the choosing empowered entrepreneurial consumer citizen woman whose economic capital determines feminine success and failure Informed by older constructs of privilege such as class sexuality race and disability this version of sexiness also constrains by folding contemporary femininity back into previous panics about youth excess bad consumption and appropriate feminine behavior In *Technologies of Sexiness* Adrienne Evans and Sarah Riley identify how current understandings of sexiness in public life and academic discourse have produced a doubled stagnation cycling around old debates without forward momentum Developing a theoretical and methodological framework they expand on the notion of a technology of sexiness They ask what happens and what is lost when people make sense of themselves within the complexities and contradictions of consumer oriented constructs of sexiness How do these discourses come to transform the self This book provides a framework for understanding how women make sense of their sexual identities in the context of a feminization of sexual consumerism The authors analyze material collected with two groups of women the pleasure pursuers and functioning feminists who broadly occupy positions across the pre and post Thatcher eras and the changes brought about by the feminist movement As one of the first book length empirical studies to explore age related femininities in the context of what sexiness means today the authors develop a series of insights into various technologies of the self through analyses of space nostalgia and claims to authentic sexiness

Handbook of the New Sexuality Studies Steven Seidman,Nancy Fischer,Chet

Meeks,2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some

of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies **Young Bisexual Womens Experiences in Secondary Schools** Mary-Anne

McAllum,2017-09-11 Emerging from a case study in secondary schools this book explores young bisexual women s notions of bisexuality through their own sense of self identification and how they express their personal beliefs McAllum sheds light on the presence and practices of bisexual misrecognition and bi misogyny in school settings and draws out the implications of this bias on bisexual women Incorporating women s own spoken and written anecdotes this book reveals hidden narratives and helps boost awareness about the social and learning needs of young bisexual women *Sociology of Sexualities*

Kathleen J. Fitzgerald,Kandice L. Grossman,2017-02-08 *Sociology of Sexualities* by Kathleen J Fitzgerald and Kandice L Grossman is the first comprehensive text to approach the study of sexuality from a sociological perspective Drawing on the most up to date social scientific research on sexuality it discusses fundamental concepts in the field and helps students integrate knowledge about sexuality into their larger understanding of society Topics covered include the emergence of sexual identities inequalities and discrimination faced by sexual and gender minorities heterosexual and cisgender privilege activism and mobilization to challenge such discrimination the commodification of sexuality and the ways sexuality operates in and through various institutions Throughout the text the authors show how sexuality intersects with other statuses and identities *Introducing the New Sexuality Studies* Nancy Fischer,Laurel Westbrook,Steven Seidman,2022 *Introducing the New Sexuality Studies Original Essays* is an innovative reader friendly collection of essays that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexuality this collection is designed to serve as a comprehensive yet accessible textbook for sexuality courses at the undergraduate level
