Childs, 1993-04 This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Childs's lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation Childs rejects any approaches that overemphasize either the continuity or discontinuity between the Old and New Testaments He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament's interest in the Old Rather Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices each of which retains continuing integrity and is heard on its own terms *The Doctrine of Modernism and Its Refutation* John A. Godrycz, 1908 *Journal of Bible and Religion*, 1962 Includes section Book reviews **The Methodist Review**, 1902 **Methodist Magazine and Quarterly Review**, 1902 *Christian Register and Boston Observer*, 1929 **The Bible-work, the revised text, with comm. prepared by J.G. American Pentecostal Churches Kenneth Richard Walters,2019-08-26 The modern Pentecostal movement has been studied many times in relation to its theological and sociological background Previous studies however have not focused on the distinctive doctrine of that movement the teaching that speaking in tongues is the initial physical evidence of the Baptism in the Holy Spirit Given that Pentecostals believe that this is a work of grace such a doctrine seems unlikely to arise as physical evidence is seldom required or looked for in the life of a believer in relation to any other area of grace This prompts the question of why such evidence was even being looked for And yet within a very short time of its proposal acceptance of this doctrine was so widespread as to become the hallmark of the movement Insistence on such a doctrine led to many being asked to leave their denominations and thus to the founding of other denominations This book attempts to answer the question Why And specifically Why Tongues **The Christian Century** ,1921 **Church of England sunday school notes, by a clergyman experienced in school work.
