New Testament Introduction Hebrews To Revelatio:

New Testament Introduction: Hebrews to Revelation Donald Guthrie, 1973 **From Hebrews to Revelation** Lewis R. Donelson, 2001-01-01 In this clearly written introduction to the latter half of the New Testament Lewis Donelson begins by asking if we read this text in this way what voices do we hear Such a reading strategy requires historical imagination because the documents are separated from us by time space language and culture It also requires making these texts conversation partners in our understanding about God and ourselves Hebrews to Revelation. New Testament Introduction Donald Guthrie, 1962 **Faithful to the End** Terry L. Wilder, J. Daryl Charles, Kendell H. Easley, 2007-09-01 In classroom and scholarly study the Gospels Acts and the Pauline letters receive far more attention than does the so called end of the New Testament Hebrews James 1 and 2 Peter 1 2 and 3 John Jude and Revelation Faithful to the End An Introduction to Hebrews Through Revelation offers a careful study of these latter biblical letters closely examining each one s authorship and origin destination and audience purpose and major themes Appropriate as a reference work or textbook in college and seminary classrooms this volume uniquely combines head knowledge with a challenge to the heart for it is purposefully titled after each book s recurring theme of persevering in the faith Coauthor Terry L Wilder writes Our hope is that God might use this text to help readers not only learn about these New Testament books but also to appropriate the message contained in each May we be faithful to the end **Hebrews, the General Letters, and Revelation** Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion

Reading the Epistles of James, Peter, John & Jude as Scripture David Nienhuis, Robert W. Wall, 2013-12-19 Through a detailed examination of the historical shaping and final canonical shape of seven oft neglected New Testament letters Reading the Epistles of James Peter John and Jude as Scripture introduces readers to the historical literary and theological integrity of this indispensable apostolic witness While most scholars today interpret biblical texts in terms of their individual historical points of composition David Nienhuis and Robert Wall argue that a theological approach to this part of Scripture is better served by attending to these texts historical point of canonization those key moments in the ancient church's life when apostolic writings were grouped together to maximize the Spirit's communication of the apostolic rule of faith to believers everywhere Reading the Epistles of James Peter John and Jude as Scripture is the only treatment of the Catholic Epistles that approaches these seven letters as an intentionally designed and theologically coherent canonical collection
