New Theatre Quarterly 63:

New Theatre Quarterly 63: Volume 16, Part 3 Clive Barker, Simon Trussler, 2001-11-08 *New Theatre Quarterly* provides a lively international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to vigorous critical questioning. It shows that theatre history has a contemporary relevance that theatre studies needs a methodology and that theatre criticism needs a language. The journal publishes news, analysis and debate within the field of theatre studies. Articles in volume 63 include Ventriloquism, the Voices of the Dead, Bodies Rest and Motion from Shiva's Cosmic Dance to Chaos Theory, s Biodance Computer Intelligence in the Theatre, Burmese Nights, Myanmar's Pagoda Festival in the Age of the Hollywood, Titanic Censoring the Uncensored, the Case of Children in Uniform, Henry Irving and the Staging of Spiritualism, Boal and the Shifting Sands, Unpolitical Master Swimmer.

New Theatre Quarterly 43: Volume 11, Part 3 Clive Barker, Simon Trussler, 1995-11-16 One of a series discussing topics of interest in theatre studies from theoretical, methodological, philosophical and historical perspectives.

Voice and New Writing, 1997-2007 M. Inchley, 2015-03-14

In New Labour's empathetic regime how did diverse voices scrutinize its etiquettes of articulation and audibility? Using the voice as cultural evidence, *Voice and New Writing* explores what it means to have a voice in mainstream theatre and for newly included voices to negotiate with the institutions that find and represent their identities.

Postdramatic Tragedies

Emma Cole, 2019-11-07 Ancient tragedy has played a well documented role in contemporary theatre since the mid twentieth century. In addition to the often commented upon watershed productions however is a significant but overlooked history involving classical tragedy in experimental and avant garde theatre. Postdramatic Tragedies focuses upon such experimental reinventions and analyses receptions of Greek and Roman tragedy that come under the banner of postdramatic theatre a style of performance in which the traditional components of drama such as character and narrative are subordinate to the immediate affective power of more abstract elements such as image and sound. The chapters are arranged into three parts each of which explores classical reception within a specific strand of postdramatic theatre: text based theatre, devised theatre and theatre that transcends the usual boundaries of time and space such as durational and immersive theatre. Each offers a semiotic and phenomenological analysis of a particular case study covering both widely known and less studied productions from 1995 to 2015. Together they reveal that postdramatic theatre is related to the classics at its conceptual core and that the study of postdramatic tragedies reveals a great deal about both the evolution of theatre in recent decades and the status of ancient drama in modernity.

The Cambridge Companion to Chekhov Vera Gottlieb, Paul Allain, 2000-11-04 This volume of specially commissioned essays explores the world of Anton Chekhov one of the most important dramatists in the repertoire and the creation, performance and interpretation of his works. The Companion first published in 2000 begins with an examination of Chekhov's life, his Russia and the original productions of his plays at the Moscow Art Theatre. Later film versions and adaptations of Chekhov's works are analysed with valuable insights also offered on acting Chekhov by Ian

McKellen and directing Chekhov by Trevor Nunn and Leonid Heifetz The volume also provides essays on special topics such as Chekhov as writer Chekhov and women and the Chekhov comedies and stories Key plays such as The Cherry Orchard and The Seagull receive dedicated chapters while lesser known works and genres are also brought to light The volume concludes with appendices of primary sources lists of works and a select bibliography *Women and Comedy* Susan

Carlson,2025-10-01 The first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy *Women and Comedy* shows how a genre that has been used historically to restrict women's behavior is being reconfigured to express women's triumphs It thus redefines the assumptions with which both traditional comedy and contemporary women's plays are read and viewed Challenging a critical consensus that has seen comedy as a haven for female power Carlson argues that traditional comedy is deeply sexist welcoming strong women characters only because it can contain their power Through an analysis of a range of comedies by Shakespeare Congreve Maugham Shaw and Ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate This negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo Carlson then examines the transitional work of three writers Aphra Behn Henry James and Ann Jellicoe whose heroines follow an unorthodox trajectory through their comic worlds While the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change In making her case for the difference of contemporary comedy by women Carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women's theater collectives *Women and Comedy* is an important work for students of British drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts
