New Trends In Child Custody Determinations:

New Trends in Child Custody Determinations Group for the Advancement of Psychiatry. Committee on the Family,1980 **Child Custody** Craig Everett,2015-11-17 For too long divorce and remarriage literature has focused only on the outcome in the personal lives of the divorcees during and after divorce But now in Child Custody Legal Decisions and Family Outcomes you ll see that divorce is a chain reaction that begins in the courtrooms and branches out into the families of the world changing the lives of children parents and grandparents alike Child Custody is an incisive up to date collection of studies that addresses both child custody decisions and the varied and often surprising outcomes for those children and their families Divided into two main sections one focusing on legislative guidelines and the other on family issues this unique compilation of recent divorce and remarriage research gives you a rare view of the attitudes some judges have toward divorce In addition those people in both law and family research fields will have at their disposal the many aspects of the legal decision making process and the legislative guidelines that currently hold sway over custody and post divorce cases Here are some of the topics you ll read about the evolution of three types of residential custody arrangements father mother and joint followed over a two year period legal reforms aimed at guaranteeing parental access to children how social research has shaped New Hampshire s child support policy divorced fathers and mothers in Greece the stigmas on lesbian mothers in custody cases how grandparent involvement shapes post divorce families Meant as a catalyst for further research and study this book begins to touch upon the intrinsic flaws in both legal and family systems that continue to exist Too often we think of divorce and child custody as merely legal decisions In Child Custody however you ll find that what matters in court is also a family matter

Encyclopedia of Parenting Charles A. Smith,2013-04-03 Parenting receives growing amounts of attention from researchers and what was once considered chiefly an art is now also recognized for being a science Our knowledge of parenting has increased significantly in the last few decades new developments continue to happen daily The Encyclopedia of Parenting provides in reference book format what we now know about parents parenting and the parent child relationship synthesized in some 250 alphabetically arranged entries Each entry is written by an expert contributor and provides an authoritative overview of a particular topic Subjects covered include child activity child outcomes child states parent behaviours parental situations external and community factors systematic concerns the transition to parenthood available resources persons who have added to our knowledge of the field Entries draw on a wide range of disciplines including psychology education and sociology Each entry closes with a bibliography and the volume concludes with a selected list of works for further reading **Child Custody & Visitation Law and Practice** Sandra Morgan Little,1990 **Sexuality and the Law** Arthur S. Leonard,2013-12-16 First Published in 1993 Sexuality and the Law An Encyclopedia of Major Legal Cases is the third volume to appear in the American Law and Society series Consistent with the philosophy of the series the more than 100 essay entries in Sexuality and the Law deal with important legal issues without

Psychology and Child Custody Determinations Lois A. Weithorn,1987 *Cases and Materials on Children in the Legal System* Walter Wadlington,Charles H. Whitebread,Samuel M. Davis,1983 **Handbook of Clinical Child Psychology** C. Eugene Walker,Michael C. Roberts,2001-01-30 The increasing focus on children s welfare has given rise to tremendous growth in the field of child psychology and the past decade has witnessed significant advances in research in this area **Program Materials for Seminars on Family Law Practice** ,1982 **Handbook of Marriage and the Family** Suzanne K. Steinmetz,Marvin B. Sussman,2013-11-11 The lucid straightforward Preface of this Handbook by the two editors and the comprehensive perspectives offered in the Introduction by one of them leave little for a Foreword to add It is therefore limited to two relevant but not intrinsically related points vis a vis research on marriage and the family in the interval since the first Handbook Christensen 1964 appeared namely the impact on this research of the politicization of the New Right and of the Feminist Enlightenment beginning in the mid sixties about the time of the first Handbook In the late 1930s Willard Waller noted Fifty years or more ago about 1890 most people had the greatest respect for the institution called the family and wished to learn nothing whatever about it Everything that concerned the life of men and women and their children was shrouded from the light Today much of that has been changed Gone is the concealment of the way in which life begins gone the irrational sanctity of the home The aura of sentiment which once protected the family from discussion clings to it no more We want to learn as much about it as we can and to understand it as thoroughly as possible for there is a rising recognition in America that vast numbers of its families are sick from internal frustrations and from external buffeting We are engaged in the process of reconstructing our family institutions through criticism and discussion 1938 pp 3 4
