New Ways In Christian Worship:

New Ways in Christian Worship Robert W. Bailey, 1981 Worship of the living God is the summit of human action and experience God alone is reason enough Although worship is an end in itself consequences do flow from authentic worship Isaiah came from worship saying Here am I send me Luke told us that the church at Antioch was worshipping God when the call came to set Barnabas and Saul apart for the most far reaching missionary effort in history Thinking of the potential of the worship hour can be exciting humbling and awesome What a responsibility what a privilege This book has been written to help both pastors and lay worship committees better plan for worship It has been the author's experience that thoughtful planning of worship need not result in cold and stilted experiences On the contrary thoughtful prayerful planning can be of great help in bringing a congregation to a readiness to hear and respond to God **Indigenous People and the Christian**
