## **Managing Electronic Reserves:**

Marketing and Managing Electronic Reserves Trevor A. Dawes, 2006 Academic libraries that provide electronic reserve services offer convenient access to information to their students and faculty while gaining numerous other advantages such as reducing both loss and staff workload. Marketing and Managing Electronic Reserves presents leading authorities with practical solutions to the challenges in effectively integrating electronic reserves services and marketing them to users. This book provides positive approaches that any academic library considering the implementation of an electronic reserve operation can use. All factors are considered including size of institution, the relationship between the library and academic departments and the budget and plan for marketing the service. Marketing and Managing Electronic Reserves Trevor A. Dawes, 2013-05-13 Get practical solutions to the problems faced when implementing an electronic reserve service. Academic libraries that provide electronic reserve services offer convenient access to information to their students and faculty while gaining numerous other advantages such as reducing both loss and staff workload. Marketing and Managing Electronic Reserves presents leading authorities with practical solutions to the challenges in effectively integrating electronic reserves services and marketing them to users. This book provides positive approaches that any academic library considering the implementation of an electronic reserve operation can use. All factors are considered including size of institution, the relationship between the library and academic departments and the budget and plan for marketing the service. More and more colleges and universities are implementing distance education programs highlighting the increasing need for remote access to information in the library including reserve material. But executing monumental change is always difficult. Marketing and Managing Electronic Reserves tackles the difficult issues discussing various libraries journeys in bringing about the changes needed to remain the central information source for students and faculty. Problems inherent in the evolution from traditional reserve services to electronic reserves are examined offering effective strategies for smooth transition. Whatever type of system you are considering from homegrown to commercial to hybrid electronic reserves service this book can help. Marketing and Managing Electronic Reserves explains how others tackled challenges such as implementing Endeavor's Voyager Integrated Library System and the software used for authenticating users, handling copyright compliance, integration of electronic reserves into course management systems moving from a paper based to a Web based course reserve system offering and marketing one stop teaching support to faculty, a large institution's shift to a collaborative approach with electronic reserves and course management software establishing a suite of electronic utilities that fulfills teaching and essential learning activities implementing the Blackboard Content System marketing for a smooth transition from traditional to electronic reserves marketing to the faculty process improvement technique applied to electronic reserves integration of electronic reserve with a Library Management System and Course Management System trends for the future. Marketing and Managing Electronic Reserves is crucial reading for access services librarians circulation

and reserve librarians public service librarians library school faculty who teach public services courses integrated library systems managers and university course management software specialists *A Guide to Docutek Inc.'s ERes Software* James McCloskey, 2005-02-07 Learn how other libraries have enhanced their services with an effective electronic reserves system As the number of libraries offering electronic reserves grows larger and larger so has the need for an e reserves option that is efficient, cost effective and easy to use *A Guide to Docutek Inc's ERes Software A Way to Manage Electronic Reserves* provides first hand insights and information on how several academic libraries selected and implemented one of the leading e reserves systems with an installed base of more than 400 libraries worldwide ERes users in a variety of libraries discuss how the system has evolved what technology infrastructure you'll need to run it how it fits in with other library and campus courseware systems how to convert from print to electronic reserves and what you'll need to know about copyright management in the e reserves environment *A Guide to Docutek Inc's ERes Software* is an essential resource for librarians who need to make informed decisions about the how and why of choosing an electronic reserve system This hands on book is the result of the combined work of several longtime ERes users many of whom introduced the system to their libraries whether they were public medical academic law or corporate institutions Their efforts will help you sort through the ins and outs of providing your patrons with round the clock online access to reserve material as you streamline procedures for creating and managing reserve items and courses improve copyright management and develop more efficiently compiled usage statistics The book will guide you through practical solutions to potential problems you could face with reserve indexing database linking bandwidth issues and workflow *A Guide to Docutek Inc's ERes Software* examines the birth pangs experienced when implementing ERes transferring from an ILS electronic course reserve module to ERes fair use issues of electronic reserve documents challenges of revising copyright policy technical difficulties embedded in the programming of ERes hardware and network issues involved in setting up ERes on campus complimentary relationship among ERes library databases and courseware and includes a history of Docutek including an interview with company founder Dr Phillip Kesten *A Guide to Docutek Inc's ERes Software A Way to Manage Electronic Reserves* is invaluable for librarians library administrators and circulation and reserves support staff considering a conversion to one of the leading commercial electronic reserve systems *Managing Electronic Reserves in Digital Age* Jeff Rosedale, 2010 **Library Programs and Services** G. Edward Evans, Margaret Zarnosky Saponaro, Holland Christie, Carol Sinwell, 2015-06-30 Covering every essential topic ranging from circulation and literacy instruction to reference and security this benchmark text provides an up to date broadly based view of library public service and its functions Supplying essential foundational reading for students of library public services as well as an up to date overview for practitioners who wish to refresh their knowledge or acquaint themselves with a new area of responsibility this book's broad and solid coverage will benefit anyone concerned with developing or maintaining the public face of the library A revision and expansion of Libraries Unlimited's *Introduction to*

Library Public Services Seventh Edition this edition has new chapters covering such topics as e resources collections print and other media and facilities and funding Additionally every chapter has been substantially updated and reorganized to better reflect the role of technology in library services today The book begins with background information on public services in libraries and an analysis of the library's public service philosophy Then the authors delve into staffing and assessment of services moving logically to major functional areas of public services reference instruction document delivery circulation and reserves collections programming safety and security issues and facilities and funding Real life anecdotes from public academic and school libraries illustrate principles and concepts throughout the book For each topic the authors detail its role and philosophy and offer key points to remember references and lists for further reading

**Electronic Reserve** Lori Driscoll, 2012-12-06 Build and maintain an effective electronic reserve system Electronic Reserve A Manual and Guide for Library Staff Members is the comprehensive professional resource you need to create commonsense policies and procedures that ensure effective electronic reserve service in your academic library This hands on how to guide walks you through the start up process for implementing an electronic reserve system presenting general guidelines and practices for designing and staffing your library The book also examines fair use of copyrighted materials explaining complex legal issues in language that you and your staff can easily understand and apply Electronic Reserve A Manual and Guide for Library Staff Members examines the critical issues of everyday e resource management including planning staffing training publicity assessment and evaluation workflow choosing the right software and hardware defining faculty control over materials faculty copyright compliance and implementing changes based on data analysis This unique mix of practical details and specific examples also includes samples of the type of documentation you'll need to start and maintain successful e resource management including letters forms checklists and flowcharts and provides tables and figures for copyright and fair use an extensive glossary and bibliographical references Electronic Reserve A Manual and Guide for Library Staff Members has the answers to the frequently asked questions you'll get from students such as How do I access the materials I need Are all readings available electronically What kind of hardware and software do I need Why do I need a password to view some reserve items and from faculty including How do I submit my materials Am I responsible for obtaining copyright permission What is public domain Can I use an article I wrote for publication Would anyone actually sue me for copyright infringement Electronic Reserve A Manual and Guide for Library Staff Members is the resource you need to provide maximum service to library staff members who work with electronic reserves faculty who submit materials and students who use those materials

**Electronic Reserves Operations in ARL Libraries** , 1999    *Library Literature & Information Science* , 2009 An index to library and information science literature    **Documentation Abstracts** , 2003    **Digital Libraries** Tatjana Aparac, 1999

Environmental Control & Safety Management , 1922    Licensing and Managing Electronic Resources Becky Albitz, 2014-01-23 Libraries are licensing information resources in greater numbers than ever before In order to negotiate

and manage an ever increasing number of licenses libraries are either establishing Electronic Resource ER Librarian positions or have been assigning these responsibilities to current staff In both cases few resources are available to acclimate new ER librarians to the diverse responsibilities associated with their position An introduction and practical guide to the standard responsibilities ER librarians address daily These include knowing the rights libraries have as consumers of information under United States copyright law understanding licensing terms and conditions negotiating licenses to support the specific needs of the subscribing institution and managing these resources once subscribed Although every college and university is different this book provides a framework within which the new ER librarian can learn the basics behind negotiating and managing their information resources effectively Offers practical advice for the new electronic resources librarian Easy for the lay person to understand Useful as a reference to specific terms concepts and issues related to electronic resource licensing

**Building Bridges** Anne Langley,Edward Gray,K T L Vaughan,2006-01-31 Intended for academic libraries this work describes in detail how to get collaborative projects off the ground and running and how to manage them for the long term

**Library Assessment** Stephanie P. Wright,2007 This SPEC survey was distributed to the 123 ARL member libraries in May 2007 Of those 123 libraries 73 60% completed the survey The survey results indicate that while a modest number of libraries engaged in assessment activities beyond annual ARL statistics gathering in the 1980s and earlier the biggest jump in assessment activity occurred between 1990 and 2004 The overwhelming majority of responses indicate the impetus for assessment was service driven and user centered and came from within the library itself rather than from an outside source

**Collection Management in Academic Libraries** Clare Jenkins,Mary Morley,1999 Economic constraints curriculum changes growing student numbers and the information explosion resulting from technological developments have put a higher priority on the successful management of increasingly diverse library collections This new edition of Collection Management in Academic Libraries written by senior university librarians and expert commentators from both the UK and North America provides an enlightening overview of collection management policy and practice in academic libraries today Though recognizing the continuing importance of traditional printed holdings the book highlights the central role now played in academic libraries by electronic information It explores possible scenarios for the future and discusses the management of access to remote sources of information and issues relating to infrastructure support New chapters are included on the management of electronic information learning support document delivery strategies preservation and disaster planning and collection management for the twenty first century The chapters on organization of collection management finance and budgeting performance measurement serials management stock retention and relegation have been revised in the light of recent changes in collection priorities and user demand Collection Management in Academic Libraries is chiefly aimed at library managers and students of library and information science Those responsible for acquisitions reader services and serials management will also find that lessons from the experience and research described

in the book will help to equip them better for the challenges in their own institutions      *Metadata* Jin Ma,2007
