Managing Hotels Effectively:

Managing Hotels Effectively Eddystone C. Nebel, 1991-09-03 A must read for aspiring hospitality industry leaders Managing Hotels Effectively Lessons from Outstanding General Managers is the essential text for anyone working in or aspiring to the hospitality industry Expert discussion from industry leaders drives home the importance of service strategic planning and effective leadership while giving readers a glimpse into the complex mechanics of running a successful hotel From organizational structure and staffing to communications revenues and day to day activities this book provides an informative look into the myriad duties of the general manager

Managing Hotels Effectively Ed Nebel, 1996-09 Based on interviews and the observations of ten hotel general managers and their staffs this text places the material in a real life context Describing the principles of hotel management this edition incorporates the stories of other GMs in hotels of different scales and capacities The book provides coverage of cross training and yield management focuses on multicultural issues and sexual harassment shows how technology has changed the way GMs do their jobs and offers real life examples of how managers are affected by emerging trends

Hotel Operations Management David K. Hayes, Jack D. Ninemeier, Bjorn Hanson, 2025-03 Managers in various departments of a full service hotel hold complex challenging and rewarding positions in the hospitality industry As their on site leaders general managers GMs are responsible for ensuring that every department in their hotel operates smoothly and attains its financial as well as many other goals while meeting their guests needs and optimizing their property's value This fourth edition of Hotel Operations Management has been expanded and revised to help present and future GMs do just that Historically those selected as GMs have had experience in a hotel department such as when an excellent director of sales and marketing receives a promotion to the GM position In this example the new GM will no doubt have an excellent grasp of hotel sales and marketing but will likely lack extensive expertise in food and beverage housekeeping accounting and other critical operational areas Hotel Operations Management Fourth Edition provides important information for individuals such as these Just as an orchestra's conductor will not likely be an expert player of each musical instrument in the orchestra hotel GMs will not have the detailed technical expertise of those managing every department within their property However one key goal of this book is to help GMs learn information necessary to properly supervise and monitor the activities of each department for which they are responsible To illustrate consider the simple case of carpet stains in a guest room corridor This book will not detail the best procedures for removing the stains which is the responsibility of the housekeeping department personnel However the GM must monitor the effectiveness of the housekeeping department and ensure it has the funding supervisory personnel cleaning products and equipment required to keep the carpets clean This book is then a compilation of many of the skills and the knowledge required to effectively supervise activities in a midsize full service hotel that offers a variety of food and beverage services
