Natural Suspect William Bernhardt,2003-06-10 What Carl Hiaasen and a host of South Florida s finest authors did for Sunshine State crime capers in the New York Times bestseller Naked Came the Manatee William Bernhardt now does for

legal thrillers with the help of a Dream Team of today's hottest suspense writers. Like a literary game of telephone Natural Suspect begins with a chapter from Bernhardt. Then each writer contributes a chapter and passes it along to the next. The result is a completely inventive, brilliantly plotted novel of suspense with more twists than a schizophrenic's train of thought. Can you guess who wrote which chapter? NATURAL SUSPECT Arthur Hightower made a name for himself and a vast fortune in the oil business. But when the volatile tycoon decides to disinherit his spoiled children and cheating wife, he makes the biggest mistake of his life and the last. After declaring his intentions, Hightower turns up on Thanksgiving Day, clubbed to death and stuffed in a meat locker clutching a frozen asset: his wife's precious pearl necklace. Now Julia Hightower stands charged with the cold-as-ice crime of murdering for millions. While the sensational trial has New York in a frenzy, a curious cast of characters face off in and out of the courtroom: Devin McGee, a small-time lawyer about to hit the big time defending Julia Hightower if her intimate encounter with the prosecutor doesn't catch up with her; Trent Ballard, the quirky assistant D.A. who owns a huge pet rabbit and thinks his tryst with Devin will help him get a conviction; Patrick Roswell, a wannabe reporter sitting on a scoop that could turn the trial upside down unless a scalpel-wielding clown decides to kill the story; and Patrick Sissy Hightower, Julia's sex-crazed, air-headed daughter in law, who has a suitcase full of secrets. Robert S. Rutledge, a powerful Wall Street warrior with a lot riding on the Hightower verdict and a lot to learn about messing with the wrong people; and Cordelia, the mystery woman that everyone seems to know. All are in for the trial of their lives, but who among them is the true natural suspect? All author royalties will be donated to The Nature Conservancy. From the Hardcover edition.

Ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose, poetry and drama. **Talking Book Topics**, 2000 Includes audio versions and annual title author index. *Emerging Issues for Small Island Developing States* United Nations Environment Programme, 2015 The 2012 UNEP Foresight Process on Emerging Global Environmental Issues primarily identified emerging environmental issues and possible solutions on a global scale and perspective. In 2013 UNEP carried out a similar exercise to identify priority emerging environmental issues that are of concern to the Small Island Developing States (SIDS). The social and economic emerging issues were also identified using the same set of criteria. At the core of the process was a SIDS Foresight Panel consisting of 11 SIDS experts for the UNEP Panel and 12 experts for the UN DESA Panel from the three SIDS regions representing the global SIDS community and a wide range of disciplines. The process was designed to open the discussion on emerging environmental issues to a broad range of views both from the Foresight Panel and a wider community of relevant experts from across the globe. Through the Foresight Process separate lists of 20 environmental and 15 socioeconomic emerging issues were identified and discussed in this report. **Books Magazine**, 1998
