Manoloa Blahnik:

Vogue on: Manolo Blahnik Chloe Fox, 2017-10-05 Fashion's leading shoemaker Manolo Blahnik is one of the handful of designers whose name is synonymous with their product. His success has lasted from setting up as a shoe designer in a Chelsea boutique in the 1970s to the present day with American Vogue's Anna Wintour declaring "The truth is I wear no other shoes except his." Blahnik has collaborated with many leading fashion designers from Ossie Clark at the start of his career and John Galiano at Dior at its height, but Blahnik's greatest achievement is to have made footwear previously subservient to the overall concept of a look the most important of all accessories. His many covers and features in the pages of Vogue reveal that wearing a pair of Manolos is to be utterly transformed in Blahnik's dreamy handmade creations: a woman can reinvent her personality. She is a Lolita in his Mary Janes and a red carpet diva in his satin mules. Or, as Madonna once put it, with characteristic bluntness: "His shoes are wonderful and they last longer than sex."

Manolo Blahnik Colin McDowell, 2003 For many years Manolo Blahnik was the open secret of the fashion world: his shoes de rigueur for any stylish woman. Then, with *Absolutely Fabulous* and *Sex in the City*, he became world famous to millions. In this fully authorized book, Colin McDowell uncovers the man behind the label. Blahnik claims that his decision to be a shoemaker was one of those accidents of life: "I could just as well have been a milliner or a fashion designer." His choices were wide, but he chose shoemaking and started his highly successful business in 1972. From the beginning, Blahnik's shoes reflected his style: wit and flair. He draws shoes with a verve that is uniquely his own, capturing their spirit and mood in a few deft lines. As a total perfectionist, Manolo Blahnik controls every process in the production of his shoes and still makes the last of every shoe in a collection with his own hands. He has made shoes for everyone from Bianca Jagger, Jerry Hall, and Diana Ross to Kate Moss, Naomi Campbell, and Victoria Beckham. His designs have been described by Madonna as wonderful: they last longer than sex. He also creates shoes for many designers, including John Galiano at Christian Dior and Oscar de la Renta. It is therefore of no surprise that the word Manolos has become synonymous with the finest footwear in the world. Through his informative text, Colin McDowell takes us into Blahnik's factory and homes to show us his life and his work, and combined with a stunning selection of photographs, reveals this ultimate fashion icon as never seen before.
