*A Mantis Carol* Laurens Van der Post,1989      **The Rock Rabbit and the Rainbow** Laurens Van der Post,1998 Sir Laurens van der Post author film maker storyteller of world wide renown soldier prisoner of war political advisor to heads of state humanitarian explorer conservationist the list goes on and on His extraordinary curiosity his love for the small and the great and his tremendous feeling and concern for his surroundings and all that they included set him travelling the lands and the waters of the world a messenger in search of meaning He touched and inspired many along the way some of whom are to be found in the pages of this book A true man of his time Sir Laurens was born in 1906 in the interior of South Africa served in the British forces during World War II including three and a half years in Japanese captivity and lived and worked since that time in London where he died just after celebrating his 90th birthday in December 1996 **The Rock Rabbit and The Rainbow** was originally conceived as a Festschrift or gift collection of writings for Sir Laurens by several of his friends and then evolved into its present form which includes numerous original contributions by Sir Laurens himself      **Captain Marvel: Liberation Run Prose Novel** Tess Sharpe,2019-02-26 An all new original novel in which the most powerful hero in the Marvel Universe must free Inhuman slaves imprisoned on a distant world Carol Danvers Captain Marvel narrowly stops a spacecraft from crashing Its pilot Rhi is a young Inhuman woman from a group who left for a life among the stars Instead they were imprisoned on a planet where an enslaved Inhuman brings her owner great power and influence Horrified by the account Carol gathers a team including Ant Man Mantis and Amadeus Cho and they set out to free Rhi s people      **Clicko** Neil Parsons,2010-12-15 During the 1920s and 30s Franz Taibosh whose stage name was Clicko performed in front of millions as one of the stars of the Ringling Brothers and Barnum Bailey Circus Prior to his fame in the United States Taibosh toured the world as the Wild Dancing Bushman showing off his frenzied dance moves in freak shows sideshows and music halls from Australia to Cuba When he died in 1940 the New York Times called him the only African bushman ever exhibited in this country In Clicko Neil Parsons unearths the untold story of Taibosh s journey from boyhood on a small farm in South Africa to top billing as one of the travelling World s Fair Freaks Through Taibosh s tale Parsons brings to life the bizarre golden age of entertainment as well as the role that the dubious new science of race played in it Beginning with Taibosh s early life Clicko untangles the real story of his ancestry from the web of myths spun around him on his rise to international stardom Parsons then chronicles the unhappy middle period of Taibosh s career when he suffered under the heel of a vicious manager Left to freeze and nearly starve in an unheated apartment Taibosh was rescued by Frank Cook Barnum Bailey s lawyer The Cooks adopted Taibosh as a member of their family of circus managers and performers and his happy if far from average years with them make up the final chapter of this remarkable story Equal parts entertaining and disturbing Clicko vividly evokes a forgotten era when vaudeville drew massive crowds and circus freaks were featured in Billboard and Variety Parsons introduces us to colorful characters such as George Auger the giant and the original Zip the Pinhead but above all he

gives us an unforgettable portrait of Franz Taibosh rescued at last from the racists and the romantics and revealed here as an ordinary man with an extraordinary life      *Muddy Tracks* Frank DeMarco, 2025-09-12 One of the precious gifts of my father's legacy was his insistence that people can turn beliefs into knowns finding out for themselves through direct experience that they are indeed more than their physical bodies In that spirit this book is a fine example of another explorer's journey into profound self discovery and particularly to the realization that love is the only thing in life that counts Laurie A Monroe President The Monroe Institute This book was written specifically for those people for whom the question of what is real is the most important thing in life It is for those who have a hard time concentrating on career or family or anything for fear it will turn out to be illusory It is for anyone whose life is haunted by lack of meaning The entire point of *Muddy Tracks* is that the author went out searching He trusted and sincerely looked and found that his trust was rewarded And he says as his trust was rewarded so will yours be *Muddy Tracks* tells some of the things that happened to him and at every step he says to you Here's a resource try this Here's a resource try that When I did this this happened When I did that that happened Keeping strictly to what he has experienced DeMarco shows how many aids we may find in life He shows how his life was enriched by selected reading and by dream analysis and by interaction with friends and so called strangers He describes some of the unusual resources he has discovered and used particularly in connection with out of body explorer Bob Monroe and The Monroe Institute More intimately he tells of some of the nearly unbelievable things he has learned to do things he points out that are natural human abilities available to all As noted British author Colin Wilson says in his introduction Frank's experience has been in many ways remarkable and he has a natural gift for making it come alive The net result is to provide the reader with firsthand informed reassurance that we all have our own internal guidance which is reliable and is willing and able to come forth when welcomed DeMarco cites his own experiences to argue that if you come to the quest in faith the faith will be rewarded The meaning of your life can be found but it can only be found by you yourself And having found it you will find it meaningful precisely because it will be your meaning and not someone else's The age of gurus is over It is time for us each to come into our own *Muddy Tracks* will help you and encourage you to learn to do that      **Feather Fall** Laurens Van der Post, 1994      *Parabola* , 1982      **The Voice of the Infinite in the Small** Joanne Elizabeth Lauck, 2002 Should we have compassion and respect for creeping buzzing stinging creatures Joanne Lauck says yes and challenges the reader to view six and eight legged beings as messengers guides initiatory figures and friends Drawing on myth touching and funny anecdotes Native American wisdom and science Lauck shows how we can live in harmony with insects healing an inner aspect of ourselves in the process      *Re-vision* , 1983      *Quadrant* , 1983      **'Bookseller and the Stationery Trades' Journal** , 1979      **Culture and the Commonplace** P. A. McAllister, 1997 Inspired by the work of David Hammond Tooke the essays in this collection explore the inter relationship of culture and practice in social life      **Writers H - Z.** Daniel Lane Kirkpatrick, 1991      The World Book Encyclopedia , 1993 An encyclopedia designed especially to meet the needs of

elementary junior high and senior high school students      **The Voice of the Thunder** Laurens Van der Post,1994      **The Search for the Beloved** Jean Houston,1987 This is the perspective and discipline that brings the human spirit into contact with the realms of the divine through the use of myth experiential exercises and rituals      *St. James Reference Guide to English Literature: 20th century fiction* ,1985      *Gardeners' Chronicle of America* ,1935      **The Bridge is Love** Elizabeth Basset,1981      *First Catch Your Eland* Laurens Van der Post,1978 A blend of personal reminiscence and historical insight seasons a history of Africa through its food from the antelope of the Bushmen to the pastries of the Cape Colonists
