Porter, Eckhard J. Schnabel, 2012-09-28 The essays in *On the Writing of New Testament Commentaries* discuss historical hermeneutical methodological literary and theological questions that shape the writing of commentaries on the books of the New Testament While these essays honor Grant R Osborne they also represent the first sustained effort to systematically address commentary writing in the field of New Testament studies **Romans 1-16 MacArthur New Testament Commentary Two Volume Set** John MacArthur, 1994-05-09 This package includes the complete two volume set of the Book of Romans from the MacArthur New Testament Commentary series Romans 1 8 and Romans 9 16 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series In the volume one and two of the Book of Romans MacArthur gives verse by verse analysis in context and provides points of application for passages illuminating the biblical text in practical and relevant ways The series has been praised for its accessibility to lay leaders and is a must have for every pastor's library **Fortress Commentary on the Bible** Margaret Aymer, Cynthia Briggs Kittredge, David A. Sánchez, 2014-10-01 The Fortress Commentary on the New Testament presents a balanced synthesis of current scholarship The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of Scripture with sensitivity to theological cultural and interpretive issues arising in our encounter with the text The volume includes introductory articles section introductions and individual book articles that explore key sense units through three lenses The Text in Its Ancient Context The Text in the Interpretive Tradition The Text in Contemporary Discussion Comprehensive and useful for preaching teaching and research *Commentary on the New Testament* Robert H. Gundry, 2010-07-01 Verse by verse explanations with a literal translation Shouldn't a Bible commentary clarify what God's Word actually says Going beyond questions of authorship date sources and historicity respected linguist and teacher Gundry offers a one volume exposition of the New Testament that focuses on what is most useful for preaching teaching and individual study what the biblical text really means Providing interpretive observations in a breezy style that's easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings SAMPLE TEXT OF TRANSLATION JOHN'S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1 1 8 1 1 3 The beginning of the gospel of Jesus Christ God's Son according as it's written in Isaiah the prophet

Behold I am sending my messenger before your face ahead of you who will pave your way the road you will travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God's Word

SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52:7 Non Jews would think of the good news of an emperor's accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel

Clifton Black,2011-09-01 Mark s genius

lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God's good news. The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another. What is this new teaching that consorts with the flagrantly sinful, turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs? Jesus' closest adherents, the Twelve, are among the most muddled. Who can blame them? They ask for an obscure parable's interpretation and receive an answer even more confounding. They are told to feed thousands with next to nothing. Their boat almost capsizes while their teacher sleeps. As they oar in rough waters, the teacher strides the waves intending to bypass them. Putting the reader in the same boat, Mark structures conversations with Jesus that make little sense if any. The Twelve are craven, stupid, self-serving and disobedient, meet the average Christian. Besides, their hearts were hardened. Who hardens hearts? God. Should not God's Messiah lift the burdens of those following him? What kind of Christ heads to a cross, handing his disciples another for themselves? Do you not yet understand from the Introduction?
