It's not that I'm not finding stories. I'm finding them all right, but they're not the ones I'm looking for.

New Treasure Seekers Or, the Bastable Children in Search of a Fortune E. (Edith) Nesbit, 2018-06-28 New Treasure Seekers or The Bastable Children in Search of a Fortune by E Edith Nesbit THE ROAD TO ROME OR THE SILLY STOWAWAY We Bastables have only two uncles and neither of them are our own natural born relatives One is a great uncle and the other is the uncle from his birth of Albert who used to live next door to us in the Lewisham Road When we first got to know him it was over some baked potatoes and is quite another story we called him Albert next door s Uncle and then Albert s uncle for short But Albert s uncle and my father joined in taking a jolly house in the country called the Moat House and we stayed there for our summer holidays and it was there through an accident to a pilgrim with peas in his shoes that s another story too that we found Albert s uncle s long lost love and as she was very old indeed twenty six next birthday and he was ever so much older in the vale of years he had to get married almost directly and it was fixed for about Christmas time And when our holidays came the whole six of us went down to the Moat House with Father and Albert s uncle We never had a Christmas in the country before It was simply ripping And the long lost love her name was Miss Ashleigh but we were allowed to call her Aunt Margaret even before the wedding made it really legal for us to do so she and her jolly clergyman brother used to come over and sometimes we went to the Cedars where they live and we had games and charades and hide and seek and Devil in the Dark which is a game girls pretend to like and very few do really and crackers and a Christmas tree for the village children and everything you can jolly well think of We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience New Treasure Seekers Edith Nesbit, 2021-09-15 Have you ever wanted to help someone but ended up making things worse In this collection of short tales we follow the Bastable children who find themselves in exactly that situation Even though the siblings try to do good they always end up getting into trouble This time they get arrested try fortune telling spend a spooky night at an old windmill and try to change their horrible cousin Archibald Each story offers deep insight into hilarious characters Sharing similar themes with Mark Twain s The Adventures of Tom Sawyer this is a funny and engaging book revolving around children but for every adventurer Born in Kennington in 1858 Edith Nesbit wrote and co authored over 60 beloved adventures at the beginning of the 20th century Among her most popular books are The Story of the Treasure Seekers 1899 The Phoenix and the Carpet
