New Studies In Bonhoeffer's Ethics:

New Studies in Bonhoeffer's Ethics William Jay Peck, Clifford J. Green, 1987 This study seeks to address the paradox that scholars have neglected the very work that Bonhoeffer hoped would be his crowning achievement his study of Christian ethics Concluding that the reason for this omission was not simple neglect but the uncertain state of the text contributing authors offer insights and solutions for the textual problems posed by Bonhoeffer's Ethics *New Studies in Bonhoeffer's Ethics* William J. Peck, 1987 *Christ, Church, and World* Michael G. Mawson, 2016 **"In the Face of Barbarism"** Dallas Gingles, Michael DeJonge, 2025-10-16 Written by a diverse and global group of scholars with expertise in Bonhoeffer's theology and ethics this volume demonstrates and interrogates Bonhoeffer's focus on and contribution to the ethics of everyday life Can Dietrich Bonhoeffer's writings improve our morality in day to day life Far from being exclusively relevant to exceptional circumstances this work reveals that Bonhoeffer's moral vision focuses on everyday human flourishing His work is highly relevant to yesterday today and tomorrow Virtue and Liberation in the Ethics of Bonhoeffer Kristopher Norris, 2026-02-19 Provides analyses of contemporary ethical issues that emerge out of the use of liberation and postliberal theologies Dietrich Bonhoeffer and a Theology of the Exception Kevin O'Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer's late resistance theology and action particularly as it relates to his participation in the attempted coup d'état against Hitler this book attends to Bonhoeffer's understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O'Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one's understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer's corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age *The Oxford Handbook of Dietrich Bonhoeffer* Michael Mawson, Philip G. Ziegler, 2019 This Handbook offers an overview of Dietrich Bonhoeffer's 1906-1945 biography and intellectual context his contributions to all areas of doctrinal theology ethics and public life the significance of his thought for some contemporary issues and debates and an evaluation of some existing resources for studying Bonhoeffer Bonhoeffer and the Responsibility for a Coming Generation Robert Vosloo, Teddy Sakupapa, Karola Radler, Ashwin Thyssen, 2024-07-25 This volume draws together a selection of high quality presentations at the 13th International Bonhoeffer Congress held in January 2020 in Stellenbosch South Africa The theme of the conference was How a coming generation is to go on living Bonhoeffer and the response to our present crisis and hope The selected essays engage thoroughly and creatively with this concern to take responsibility not only for our own personal and communal

life in all of its complexity and richness but also for the ethos and society that future generations will inherit from us The pertinence of Bonhoeffer's question is addressed in these contributions anew as we experience threats on a global level to socio-political-economic and inter-religious stability and solidarity Attention is also given to some important challenges experienced in the so-called global South and the reality of climate change and ecological devastation implies that the question of how future generations are going to go on living is linked to the fact that we live on a planet that is in jeopardy Also included as an appendix is the powerful sermon preached by the South African Anglican archbishop of Cape Town Thabo Makgoba at the opening worship service of the congress

Ontology and Ethics Adam C. Clark, Michael Mawson, 2013-08-27 Recent scholarship in a number of disciplines has explored the relationship between ontology and ethics The essays in this collection indicate what the German theologian Dietrich Bonhoeffer 1906-1945 has to contribute to this discussion By engaging the breadth of his academic and pastoral writings these essays retrieve Bonhoeffer's theology for a contemporary audience They do so by critically clarifying and extending key concepts developed by Bonhoeffer across his corpus and in dialogue with Hegel Heidegger Dilthey Barth and others They also create dialogues between Bonhoeffer and more recent figures like Levinas Agamben Foucault and Lacoste Finally they take up pressing contemporary ethical issues such as globalization managerialism and racism

Bonhoeffer Stephen Plant, 2010-07-15 One of the best known Christians of the twentieth century Dietrich Bonhoeffer is admired as a theologian for his unparalleled independence of mind creativity and brilliance by liberals and conservatives alike His death at the hands of the Nazis is an extraordinary tale of courage and Christian discipleship However Bonhoeffer was also a serious theologian who while indebted to the liberal tradition of the University of Berlin was also influenced by the new thinking of Karl Barth that challenged the consensus Plant has written a critical exploration of Bonhoeffer's writings that illuminates his ethical theology showing that what linked all his work was the attempt to listen to God's word in to and for the secular world

Bonhoeffer and Contemporary Challenges Michael Mawson, Dianne Rayson, 2026-02-19 This edited collection of essays draws on Dietrich Bonhoeffer's theology and ethics to engage with contemporary crises

Bonhoeffer Clifford J. Green, 1999 Rev ed of *The sociality of Christ and humanity*

"In the Face of Barbarism" Dallas Gingles, Michael P. DeJonge, 2025-11

Standing under the Cross Michael Mawson, 2023-09-07 *Standing Under the Cross* focuses on Bonhoeffer's rich theological and ethical thinking It places Bonhoeffer in conversation with a wide range of modern theologians including Karl Barth Franz Rosenzweig Jürgen Moltmann and James Cone The book gives particular attention to hermeneutics the body and Bonhoeffer's rich reflections on community and discipleship Mawson attends to the complex ways in which these aspects of Bonhoeffer's thinking work together and shows how they can assist us in responding to some of the challenges confronting us today

Discipleship in a World Full of Nazis Mark Thiessen Nation, 2022-01-20 Things do exist that are worth standing up for without compromise To me it seems that peace and social justice are such things as is Christ himself These are words Dietrich Bonhoeffer spoke

to his brother a few months before he began training future pastors in the ways of discipleship For several years he had been speaking out against war Near the beginning of the anti Semitic Nazi regime he called on his fellow Christians to speak out against a state that was engaging in oppressive measures to respond to victims of oppression and to be willing to suffer as a church if it was required to stop such oppression His vision for training disciples was rooted in pure doctrine serious worship a new kind of monasticism and the Sermon on the Mount Bonhoeffer was convinced that through the living presence of Jesus and the explosive teachings of the Sermon on the Mount lies the force that can blow all this hocus pocus sky high like fireworks leaving only a few burnt out shells behind This is the legacy of this extraordinary theologian that this book seeks to recover exploring how this was lived out in a world full of Nazis

Ethics in Crisis, Ethics in Hope: Bonhoeffer's Unfinished Theological Ethics and the Future of Human Dignity Matthew Puffer, 2025-01-23 This incisive volume offers fresh historical and constructive engagements with the ever fascinating and perplexing theological ethics of Dietrich Bonhoeffer Matthew Puffer examines the historical crises out of which Bonhoeffer composed the manuscripts that would become his posthumously published magnum opus Ethics He explores the ways in which Bonhoeffer understood his work as a response not only to the ecclesial social and political crises of Nazi Germany but more specifically to a crisis in ethics the failure of traditional forms of ethics to effectively respond to the state of emergency Bonhoeffer famously wrestles with novel proposals for how Christians should think about responsibility complicity culpability and guilt in ways that have left not only casual readers but also philosophers and Bonhoeffer scholars scratching their heads In these chapters Matthew Puffer argues for a critical reconsideration of the ethics supposed to have informed Bonhoeffer's participation in German resistance but also for an extension of Bonhoeffer's thought to the global ecological and intergenerational crises of ethics that we face today An ethics of hope proves to be an essential and ineliminable feature of Bonhoeffer's thought evident in his insistence that ethics is fundamentally about how coming generations will live In Bonhoeffer we find fresh inspiration for contemporary debates regarding the meaning and political implications of human dignity integrating the wellbeing of not yet existing future generations into the moral calculus regarding what it means to treat present day persons with dignity

Taking Stock of Bonhoeffer Revd Dr Stephen J Plant, 2014-03-28 Bonhoeffer's theology continues to prove richly fruitful in the 21st century This book gathers together Stephen Plant's scholarly engagement with Bonhoeffer's life and theology over two decades This collection makes accessible Plant's distinctive perspective on Bonhoeffer's theology in particular on the key themes of biblical exegesis ethics and the intimate connections Bonhoeffer discerns between them

Bonhoeffer for a New Day John W. De Gruchy, 1997

Being and Action Coram Deo Koert Verhagen, 2021-09-09 Koert Verhagen not only provides the first in depth treatment of how the doctrine of justification crucially frames Bonhoeffer's approach to questions surrounding human being and action he also addresses the ethical implications of retrieving this perspective for the Church today Drawing on his early academic theology and his later ethics of discipleship Verhagen argues that Bonhoeffer's emphasis on

the social implications of justification leads to an understanding of human existence that is fundamentally relational Along the way he draws Bonhoeffer's thinking on this front into conversation with Luther German idealism the Nazi Weltanschauung and contemporary Pauline scholarship With an eye to the contemporary practical value of Bonhoeffer's theology Verhagen concludes by making the case that the retrieval of justification's social implications provides a critical corrective to ecclesial responses to white supremacy

Appointments with Bonhoeffer Keith W. Clements, 2022 Keith Clements sets out how and why Dietrich Bonhoeffer more than 75 years after his execution by the Nazis still speaks cogently both to the churches and society Beginning with the earlier reception of him as a martyr figure and then as a provocatively original theologian this book argues his relevance to contemporary engagement with public ethics ecumenism truth telling and reconciliation the relation between faith and democracy in a time of political extremism the issues of national identity signalled by Brexit and the challenge of finding an ethical response to such challenges as the global pandemic Bonhoeffer's perception that living representatively on behalf of others is both the key to who God is as known in Jesus Christ and the basis of all truly human community this provides the connecting thread running through these chapters on what it means to believe and be responsible in a fragmenting world Clements also links this thread to the 17th century spiritual writer Thomas Traherne and the Catholic Modernist Friedrich von Hugel
