Scripture we too often forget the human side of the story The narratives letters and Apocalypse of our New Testament were shaped by worn pens gripped by calloused ink stained fingers Their authors ears were more likely assaulted by the urban clatter of busy intersections and bustling markets than attuned to a still small voice Scrolls that bumped across cobbled Roman roads and pitched through rolling Mediterranean seas found their destination in stuffy dimly lit crowded Christian house churches in Corinth or Cenchreae There they were read aloud and reread handled and copied forwarded and collected studied and treasured Their ordinary story is true to their extraordinary message the mystery of the Word that became flesh The Making of the New Testament is a textbook study of the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading the subtle traces of evidence biblical scholars have studied the trail of clues and pieced together the story of these books    *The Layman's Guide to the New Testament* ,1981-01-01 The Layman s Guide to the New Testament is an honest objective approach to all the books of the New Testament Written in a style that is at once

Telford,2014-01-09 The New Testament writings are the foundational documents of early Christianity But to fully understand them we need a broad historical awareness of the wider social economic political and religious context that produced them Exploring the transition from an oral to a written tradition this fascinating primer depicts the growth of the early church amid the Roman and Hellenistic Empires Focusing on the composition and content of the Synoptic Gospels those of Matthew Mark and Luke W R Telford furnishes the reader with an appreciation of the methods contemporary scholars apply to the Gospels and also offers an assured in depth guide to the texts themselves Broaching difficult questions about the differing accounts of Jesus life that the New Testament has left us this is an invaluable starting point for anyone looking to understand the roots of Christianity *The New Testament Backgrounds* C.K. **Jesus Through Many Eyes** Stephen Neill,2023-01-01 Is it possible to find in the New Testament a single coherent theology In Jesus Through Many Eyes Stephen Neill makes the case convincingly for a unified faith underlying the many traditions and interpretations of Jesus within scripture which can be summed up in the words Resurrection Spirit Reconciliation First published in 1976 his exposition remains relevant to general readers and specialist scholars alike Neill provides detailed explanations of more obscure concepts and references along with comprehensive notes and bibliographies to each chapter making this an ideal introductory textbook Meanwhile those familiar with his arguments will benefit from new insights and interpretations

according to the canonical order of New Testament books Thorough cross references and indexes make it easy to locate texts relevant to the interpretation of any New Testament text or theme Each text is provided with annotations suggesting ways in which it might illuminate the New Testament text Furthermore the new introduction to the English edition specifies ways in which the treasures of these texts might be unlocked as well as pointing to dangers in their superficial use The original German introduction provides helpful categories for the application of these texts to New Testament interpretation **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved     **Introduction to the New Testament: History, culture, and religion of the Hellenistic age** Helmut Koester,1995 While the first American edition of this book published more than a decade ago was a revised translation of the German book *Einf hrung in das Neue Testament* this second edition of the first volume of the *Introduction to the New Testament* is no longer dependent upon a previously published German work The author hopes that for the student of the New Testament it is a useful introduction into the many complex aspects of the political cultural and religious developments that characterized the world in which early Christianity arose and by which the New Testament and other early Christian writings were shaped     **Basic Books for the Minister's Library** John L.
