New Testament Commentary On Luke:

Luke Leon L. Morris, 2015-03-20 With awareness of scholarly discussions and attentiveness to both the text and the reader Leon Morris places the themes of Luke's Gospel within the context of God's plan for all people Luke Darrell L. Bock, 1994-01-01 In Luke's vivid narrative Jesus comes into Galilee proclaiming good news to the poor freedom for the prisoners and recovery of sight for the blind More than any other Gospel the Gospel of Luke shows Jesus great concern for the downtrodden the oppressed and the marginalized including women and children and even those outside the house of Israel Darrell Bock's IVP New Testament Commentary shows why Luke's Gospel is tailor made for the world we live in a world often divided along ethnic religious economic and political lines After all the Jesus portrayed by Luke is a source of unity for his disciples and for believers from every walk of life Tax collectors Roman soldiers prostitutes city officials religious leaders widows and fishermen were among the diverse group brought together in the early Christian church The Gospel is universal in its perspective and cosmic in its scope Bock writes As we look at our modern multicultural world certainly there is relevance in a Gospel that highlights how men and women of different ethnic origins can be transformed into a unified community Along with a passage by passage exposition of Luke Bock offers background information on date destination purpose form and theological themes in the text His dual focus on understanding what Luke wanted to communicate to his original readers and on discovering how that message is relevant for today's readers will make this commentary an excellent resource for all who study preach or teach the Scriptures *Luke 1-17 MacArthur New Testament Commentary Set* John MacArthur, 2011-02-21 This package includes the three volume set of the Gospel of Luke from the MacArthur New Testament Commentary series Luke 1-5 Luke 6-10 and Luke 11-17 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series In volumes one two and three of the Gospel of Luke respected preacher and Bible teacher John MacArthur provides a verse by verse and phrase by phrase exposition of the text taking into account the cultural theological and Old Testament contexts of each passage Interpretive challenges are fully dealt with and differing views are fairly evaluated The gospel of Luke is unique and provides valuable insight into Christ's life and ministry It gives the fullest account of Christ's birth and is the only gospel to record several of our Lord's parables including the Good Samaritan and the Two Sons Use this volume of The MacArthur New Testament Commentary series to assist you in your study of this cherished New Testament book Commentary on Luke (Commentary on the New Testament Book #3) Robert H. Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers The Gospel of Luke portrays Jesus preeminently as a model of religious piety moral purity and political innocence and thus as an attractive sympathetic and beneficent Savior of others Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's

Commentary on the New Testament The Gospel of Luke I. Howard Marshall, 1978-11-14 The Gospel of Luke was written says its author as an historical account of the ministry of Jesus Not only would it serve as the basis for a sound faith on the part of professing Christians but it would also claim a place for Christianity in history Christ s ministry as Luke shows is realized prophecy it is that time during which God s promise of salvation was fulfilled His teachings healing and acts of compassion are all part of the good news In Luke s Gospel Christ s message of salvation is directed to the weak poor and needy with an emphasis on the importance of self denial and of whole hearted discipleship Thus while Luke is the most conscious historian of the Gospel writers his history is a vehicle of theological interpretation in which the significance of Jesus is expressed In this commentary I Howard Marshall calls attention to the theological message of Luke the Evangelist His primary purpose is to exegete the text as it was written by Luke so that the distinctiveness of Luke s Gospel may be seen Basing his commentary on the third edition of The Greek New Testament Dr Marshall also refers to many variant readings which are significant in this study He provides fairly full information on the meanings of the Greek words used by Luke and shows which words and constructions occur frequently and are therefore characteristic of his style It is by this meticulous analysis of the Greek that Luke s theological intentions can be objectively determined **Abingdon New Testament**
