## **New Testament Commentary On Matthew:**

The Gospel according to Matthew Leon Morris, 1992-07-29 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris s warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike Matthew 1-7 MacArthur New Testament Commentary John MacArthur, 1985-08-08 The Old Testament looked forward to the final King of kings who would bring everlasting salvation and peace In his gospel Matthew demonstrates that Jesus Christ is that King perfect in His eternal glory and majesty As the King s ambassadors Christians today will find in Matthew great motivation for heartfelt worship and service Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **Matthew** Bruce B. T. France,2007-07-11 It is a special pleasure to introduce R T Dick France s commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume So says Gordon Fee in his preface to this work

France's masterful commentary on Matthew focuses on exegesis of Matthew's text as it stands rather than on the prehistory of the material or details of Synoptic comparison. It is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first century Palestine. Amid the wide array of Matthew commentaries available today, France's world class stature, his clear focus on Matthew and Jesus, his careful methodology, and his user friendly style promise to make this volume an enduring standard for years to come. **Matthew** R. T. France, 2015-03-20. R. T. France offers comment on the book of Matthew. **The New Testament Commentary** J. W. McGarvey, 1875. **Matthew** Craig A. Evans, 2012-02-06. This book is a verse by verse analysis of the New Testament Gospel of Matthew. It provides a comprehensive introduction to the Gospel which describes the world of Jesus and his first followers. This commentary explores the historical, social, and religious contexts of Matthew and examines the customs, beliefs, and ideas that inform the text. Unfamiliar to many readers of the New Testament, this background will help readers fully understand the text of Matthew, which focuses on what Jesus taught and why the religious authorities in Jerusalem rejected his message and gave him up to the Roman governor for execution. This book will be an important tool for the clergy, scholars, and other interested readers of Matthew. *Baptist New Testament Commentary* Charles F. Law, 2020-02-07.
