

DESIGNING FOR ALL AGES & ABILITIES

Every design must meet the needs of a diverse range of potential bike riders. Across North America, however, many existing bikeway designs provide enough comfort for only the luckiest people taking and pedaling many who might otherwise shy away.

IN ALL AGES & ABILITIES Every person who uses a bike has unique abilities and needs. Designing for all ages and abilities means creating a network of safe, comfortable, and accessible bikeways that can be used by everyone. This includes people with physical disabilities, people with cognitive disabilities, people with children, and people who are pregnant. It also means creating a network of safe, comfortable, and accessible bikeways that can be used by everyone.

Third Edition

The third edition of the Urban Bikeway Design Guide revised (existing) bicycling rules, standards, & guidance while we made it more user-friendly, readable, and applicable.

OUR VISION

Cities where safe, sustainable, and equitable transportation systems connect communities to the resources they need to thrive

2026 Guide Urban Fantasy:

Writers' Handbook 2026 J. Paul Dyson, 2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.
