More Than Amazing Grace:

More Than Amazing Grace E. Lonnie Melashenko, David B. Smith, 1995-02-01 They All Fall Down to Worship Lori McConchie, Barb Pagel, 2011-05 Barb One night when my husband came home from work I asked him to take our three boys downstairs so we could talk He thought I was going to ask for a divorce but it was much worse something he didn't expect at all Kerry Whenever Mom and Dad went out together they hired a trusted neighbor boy in his teens to babysit We all liked him a lot in the beginning because he always played games with us But as time went on his games weren't fun anymore Donna I was scared and confused I had never felt so abandoned and alone as I did that day And even though I didn't know who God was I believed that someday He would punish me for what I had done They All Fall Down to Worship by sisters Barb Pagel and Lori McConchie is the story of how God poured out His grace and transformed the lives of four sisters and two sisters in law It's a story so unbelievable that it could only have been possible through the saving work of God **50 Hymns & Carols**

The Christmas Tree Effect Clark Dunkle, 2020-02-05 In June of 2011 on one of the hottest nights of the entire year in the small town of Franklin Tennessee God revealed to an obscure unsuspecting itinerant minister a revelation in the form of an undecorated Christmas tree In the hours that followed God made clear to him this tree represented the Gospel that Jesus Christ commissioned both the original disciples and us to preach to every creature It consists of only five powerful words along with the star of grace to top it all off Matthew Mark Luke and John each had different ways of recording this commission of our Lord Jesus Matthew tells us to go teach Mark tells us to preach the Gospel Luke tells us what the Gospel is and finally John tells us the most effective way of preaching it Unfortunately throughout the years the church has decorated and thus obscured the Gospel through ornaments that were never intended to be placed on the tree By preaching these ornaments we effectively alienate and push away the very people that we hope to be saved The Christmas tree effect is a message that is needed in these polarized times of decreasing church attendance By returning to the simple yet majestic Gospel of Jesus Christ of two thousand years ago sinners as well as stagnant believers can draw new hope in its unvarnished message of unconditional love and forgiveness giving them the hope that they had lost so long ago [More Than a Ticket to Heaven](#) Wendy Lee Kremer, 2022-08-13 Have you ever thought to yourself Is this all there is to the Christian life Where is the abundant life Jesus promised Is God mad at me Will I ever measure up to His standards You re a child of God You ve got your ticket to heaven and know your mansion is waiting for you on the other side However it s right here on earth in your own home that you could use some help But God seems a million miles away Having grown up with a legalistic works based version of Christianity Wendy Lee Kremer struggled with these thoughts for many years She says I learned all the dos and don ts but I had no power to do the dos After a devastating divorce that left her a single mom with two young children she turned her back on God until a near death experience abruptly halted her escape She knew God had rescued her and given her a second chance Wendy became tenacious in discovering the truth of God s love and grace searching for the secrets to living God s kingdom lifestyle in power peace and prosperity Now she is passionate about helping others realize their unique supernatural identity She teaches how to claim their inheritance as a coheir with Jesus Christ and use their influence as a king and priest in God s kingdom Revelation 1 6 Get ready for a revelation that will knock your socks off More Than a Ticket
