## More Than Skin Deep:

**More Than Skin Deep** Crystal Kirgiss,2011-07-26 You can probably think of a lot of things in your life that you'd like to celebrate but your skin Most teenage girls can point to a couple things about their skin that they're unhappy with and certainly wouldn't want to celebrate That's because the world around you has convinced you that your physical skin is what's most important But it goes so much deeper than that In *Celebrate the Skin You're In* you'll find out what it means to celebrate, accept love and care for the skin that really matters the skin that holds together all your invisible pieces like your passions, thoughts, identity, ideas, dreams, beliefs, fears, and more. Crystal Kirgiss will help you see that God not only created you but that God also understands you. Every teenage girl deals with some degree of insecurity, fear, and overwhelming emotions whether it's about their physical skin or just life in general. You're not alone. And if you and your friends can find the reasons to embrace who you are on the inside, think of the celebration you could have.
