More Than Forgiveness:

More Than Forgiveness Steve DeNeff, 2002 Keying on the life of Christ DeNeff shows that perfect love results in pure motivations transformed behavior and a life that's different from the world. *More Than Forgiveness* is for anyone seeking the inspiration to live as Jesus did. [The Forgiveness Factor \(eBook\)](#) Cherie Hill, 2016-06-01 We know we're supposed to forgive but we just can't forget. And it's that struggle in our soul that keeps our hurts and hearts from being healed, creating a gap between our pain and the peace we're so desperate for to seem completely unbridgeable. When it comes to forgiveness, we so easily confuse God's love with our own and find ourselves frustrated and confused without a clear understanding of what God is really asking us to do. It's through *The Forgiveness Factor* that you'll come to clearly understand what God means when He says to forgive. And more than likely it's not what you think. It's in uncovering the truth about forgiveness by revealing the lies that you'll be set free from the burden that forgiveness seems to bring. You'll realize that you're only giving up your hope for a different past, realizing that wrongs may never be made right but they can be forgiven. [A Journey through Forgiveness](#), 2020-05-18 In the present book, scholars and activists from a variety of disciplinary perspectives engage each other around the topic of forgiveness. They examine its benefits and costs, its motives and its limitations. The different voices do not sing in unity but by the end of the book, you might conclude that some times of beautiful harmony were heard. [When Forgiveness Doesn't Make Sense](#) Robert Jeffress, 2013-07-03 Forgiveness Is Always Difficult and Often Illogical. But It's the Only Remedy God Offers to Heal Our Hearts. With the experience of more than two decades in the ministry, Dr. Robert Jeffress has come to the conclusion that forgiveness is the bottom line issue of life. Failure to receive God's forgiveness results in eternal hell; failure to grant forgiveness to those who have hurt us results in a living hell. While most people, especially Christians, esteem the concept of forgiveness in theory, few have mastered what one person has called the art of forgiveness. As C. S. Lewis once said, "Forgiveness is a beautiful word until you have something to forgive." When *Forgiveness Doesn't Make Sense* is an intensely biblical yet extremely practical approach to this crucial issue. Dr. Jeffress deals with the major misunderstandings about forgiveness, believing you cannot forgive those who never ask for it, confusing forgiveness with forgetting or with reconciliation, and believing that forgiveness automatically erases the consequences of harmful actions. Dr. Jeffress explains the process of our forgiveness by God as well as the power of our forgiveness of others. Readers will also learn questions to ask themselves before they seek forgiveness from another, essentials of an effective apology, reasons others may refuse to forgive them, action steps for dealing with painful memories, a check list to determine whether they have genuinely forgiven another, and much more. Forgiveness is difficult and often illogical. But When *Forgiveness Doesn't Make Sense* will equip and encourage readers to become more forgiving and to experience God's forgiveness more deeply. At some time in our lives, we will be hurt deeply by another person. It may be a family member who mistreats us, a business associate who cheats us, a child who rebels against us, a friend who betrays us, a mate who deserts us,

or a God who disappoints us While we can't control the hurts that come into our lives we can choose what to do with those hurts We can let them make us bitter or we can release them through forgiveness While forgiveness doesn't always seem to make sense as Dr Robert Jeffress explains in his important new book it is the only way God has given us to effectively resolve the pain of our past More importantly it's the obligation of every Christian **Acts of Forgiveness** Ted Karpf, 2019-10-31 In 1980s America coming out as gay as a father and husband was a significant journey for anyone to make Coming out as gay as a priest guaranteed immersion into controversy contradiction and challenge This book tells of the Reverend Canon Ted Karpf's navigation of new social and romantic journeys all within the context of his priestly vocation in the Episcopal Church Covering from 1968 to 2018 Karpf recounts his vivid memories life changing dreams and resonant reflections on living a life of faith in a socially and politically tumultuous period His narratives are crafted as poetic meditations on enduring values and meaning which can remind any reader that we are neither abandoned nor alone and that forgiveness is a fulfilling way of living in a world of contradictions **The Gospel of Forgiveness** Robert Smith Candlish, 1878 **The Forgiveness of Sins** Henry Barclay Swete, 1916
