Morgan Guest:

The Merthyr Rising Gwyn A. Williams, 2021-09-05 This book first published in 1978 examines the independent political action by the thousands of working people in the town of Merthyr Tydfil Wales After a mass rally on the hills above the town thousands of workers under a red flag broke into insurrection a detachment of Argyll and Sutherland Highlanders marched into the town to restore order The rebels repulsed the soldiers and held the town with at least two dozen workers killed Within weeks of the Rising trade unions began to appear in South Wales and this book argues that these events were central to the emergence of a Welsh working class

How America Got Its Guns William Briggs, 2017-05-01 In the United States more than thirty thousand deaths each year can be attributed to firearms This book on the history of guns in America examines the Second Amendment and the laws and court cases it has spawned The author's thorough and objective account shows the complexities of the issue which are so often reduced to bumper sticker slogans and suggests ways in which gun violence in this country can be reduced Briggs profiles not only protagonists in the national gun debate but also ordinary people showing the ways guns have become part of the lives of many Americans Among them are gays and lesbians women competitive trapshooters people in the gun rights and gun control trenches the NRA's first female president and the most successful gunsmith in American history Balanced and painstakingly unbiased Briggs's account provides the background needed to follow gun politics in America and to understand the gun culture in which we are likely to live for the foreseeable future

Morgan's Digest of Oklahoma Statutes and Supreme Court Decisions Dick T. Morgan, 1897 Routledge Library Editions: Political Protest Various, 2022-07-30 This 26 volume set is a wide ranging time and subject spanning examination of the phenomenon of political protest What drives people to take to the streets and how do their governments respond These questions and many more are analysed in areas as varied as sixteenth century German peasant uprisings revolutionary Russians at the Paris Commune women protesting nuclear weapons at Greenham Common and the role Christianity played in protests across the ages An impressive reference resource this set also looks at the policing of protests and official responses to them
