For many people the act of simply reading the Haggadah no longer fulfills the Passover Seder's purpose to help you feel as if you personally had gone out of Egypt. Too often the ritual meal has become predictable, boring and uninspiring. *Creating Lively Passover Seders* Second Edition is an innovative interactive guide to help encourage fresh perspectives and lively dialogue. With three new chapters, this intriguing Haggadah companion has been revised, updated and expanded and offers thematic discussion topics, text study ideas, activities and readings that come alive in the traditional group setting of the Passover Seder. Each activity and discussion idea aims to deepen your understanding of the Haggadah, provide new opportunities for engaging the themes of the Passover festival, develop familiarity with the Exodus story as well as the life and times of the people who shaped the development of the Haggadah. Reliving the Exodus is not about remembering an event long ago but about participating in a conversation that provides hope and strength for the struggle to make tomorrow a brighter day. With this complete resource you can create more meaningful encounters with Jewish values, traditions and texts that lead well beyond the Seder itself. *Jewish Book World*, 2006 *The Scholar's Haggadah* Heinrich Walter Guggenheimer, 1995 Additionally, the author provides a commentary that not only offers a key to the roots of the Passover ceremonies and an introduction to the thought and practice of talmudic rabbinic Judaism but also presents a history of the development of text and practice of the Seder celebration. *Index to Jewish Periodicals*, 2005 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests. *Mastering Hebrew Calligraphy* Yitshak Pludvinski, 2012 *Mastering Hebrew Calligraphy* is a comprehensive and beautiful guide to the art of Hebrew letter making.
