

Autism and Me 😊

I have autism, which means I experience the world in a unique way.

I may need routines, quiet time, or support in new situations

I might communicate differently, and that's okay.

My interests and strengths help me learn and grow.

With understanding and support, I can succeed in my own way.

Autism is part of me—and I'm proud of who I am.

Looking For Normal Steve Slavin, 2020-11-02

AN AUTISTIC BOY WHO BEAT THE ODDS **Looking For Normal** is the memoir of author, musician, and filmmaker Steve Slavin. His obsession with music at an early age led to a long career in the creative arts, albeit one plagued by clinical depression and the symptoms of a condition he was unaware of until 2008. In recounting the 48 years that led to his autism diagnosis, this darkly humorous memoir will inform and inspire anyone with an interest in mental health and autism. But more than this, it is the story of an emotionally disturbed child without a future who, against the backdrop of low expectation, became an ambitious, independent adult with a wife, daughters, and a career stifled by the long shadow of his childhood dysfunction. **Reviews** Insightful, inspiring, informative, and entertaining, **Looking For Normal** is not just about overcoming the adversities that life throws at you on a regular basis.
