

Mormon Architecture

Leonard J. Arrington, Davis Bitton

Mormon Architecture:

Nineteenth-Century Mormon Architecture and City Planning C. Mark Hamilton, 1995-11-09 This book is the first comprehensive study of nineteenth century Mormon architecture and city planning Professor Hamilton examines the doctrine of Zion which led to an elaborate hierarchy of building types temples tabernacles meetinghouses tithing offices priesthood halls and domestic dwellings His account augmented by 135 original and historical photographs provides a fascinating example of how religious teachings and practices are expressed in planned communities and architectural forms

Nineteenth-Century Mormon Architecture and City Planning C. Mark Hamilton, 1995-08-24 This book is the first comprehensive study of Mormon architecture It centers on the doctrine of Zion which led to over 500 planned settlements in Missouri Illinois Utah Idaho Wyoming Colorado New Mexico Arizona California Nevada Canada and Mexico This doctrine also led to a hierarchy of building types from temples and tabernacles to meetinghouses and tithing offices Their built environment stands as a monument to a unique utopian society that not only survived but continues to flourish where others have become historical or cultural curiosities Hamilton's account augmented by 135 original and historical photographs provides a fascinating example of how religious teachings and practices are expressed in planned communities and architecture types

The Early Temples of the Mormons Laurel B. Andrew, 1978-06-30 This book is a study of the six temples which the Church of Jesus Christ of the Latter day Saints constructed in the nineteenth century Though sharing the characteristics of various revival styles the buildings demonstrate a progressive modification of these styles so as to express the functions of the temples and to reflect the theology and politics of the Mormons The four temples in Utah designed by the church president Brigham Young and his builder architects symbolize the merging of spiritual and temporal concerns and the author believes were meant to play an instrumental role in the transformation of America into a millennial kingdom of God and a second Garden of Eden Thus the temples are studied within the specific context of Mormonism and the broader spectrum of American cultural history as well The account begins in Ohio where the believers in Joseph Smith's restored gospel erected a temple resembling the New England meetinghouse in form and use It follows the Mormons to Nauvoo Illinois where the second temple was built in the 1840s The author demonstrates how the developing theology and the introduction of secret rituals began to change the meaning and the architectural form of the temple as the style and architectural symbols were incorporated on the exterior of the temple From Illinois the Mormons moved to Utah where four temples were built The most important at Salt Lake City is discussed in detail The author evaluates the contributions of Brigham Young to its design illustrates and discusses the drawings of the architect and offers an interpretation of the symbolism of the building She also discusses the attempt of the Mormons to establish an independent Kingdom of God in preparation for the Second Coming of Christ and relates the Salt Lake City temple and the other Utah buildings to this effort Her conclusion is that the Salt Lake City temple was to have a civic as well as religious function as the governmental center

of the Kingdom of God The other three Utah temples were intended to extend the authority of the Mormon government throughout Utah *Building Zion* Thomas Carter, 2015 Focusing on a network of small towns in Utah Thomas Carter explores the key elements of the Mormon cultural landscape town planning residences including polygamous houses stores and other nonreligious buildings meetinghouses and temples Zion Carter demonstrates is an evolving entity reflecting the church's shift from group oriented millenarian goals to more individualized endeavors centered on personal salvation and exaltation and displaying a unique blending of sacred and secular spaces *The Oxford Handbook of Mormonism* Terryl L. Givens, Philip L. Barlow, 2015-09-01 Winner of the Best Anthology Book Award from the John Whitmer Historical Association Winner of the Special Award for Scholarly Publishing from the Association for Mormon Letters Scholarly interest in Mormon theology history texts and practices what makes up the field now known as Mormon studies has reached unprecedented levels making it one of the fastest growing subfields in religious studies In this volume Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together 45 of the top experts in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons The book begins with a section on Mormon history perhaps the most well developed area of Mormon studies Chapters in this section deal with questions ranging from how Mormon history is studied in the university to the role women have played over time Other sections examine revelation and scripture church structure and practice theology society and culture The final two sections look at Mormonism in a larger context The authors examine Mormon expansion across the globe focusing on Mormonism in Latin America the Pacific Europe and Asia in addition to the interaction between Mormonism and other social systems such as law politics and other faiths Bringing together an impressive body of scholarship this volume reveals the vast range of disciplines and subjects where Mormonism continues to play a significant role in the academic conversation The Oxford Handbook of Mormonism will be an invaluable resource for those within the field as well as for people studying the broader ever changing American religious landscape

Excavating Mormon Pasts Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **Utah's Historic Architecture, 1847-1940** Thomas Carter, Peter Goss, Peter L. Goss, 1988 *Mormon Temple Architecture and the Spaces of Ritual* Michael Henry Marcheschi, 1999 Temples are the most significant religious buildings of The Church of Jesus Christ of Latter day Saints In the early days of the church temples were used for general worship and congregation These temples represented the spiritual and physical heart of the communities in which they were built As the theology of the church evolved temples took on a more restricted function the performance of sacred ordinances Mormons

believe that these ordinances are necessary to prepare individuals to return to the presence of God In the church today the temple is seen as the pinnacle of a member s worship and to attend the temple a sign of one s commitment and worthiness In this thesis I propose that as the most significant structures built by the church temples could be designed such that the form and arrangement of the ritual spaces reinforce to a greater degree the clarity of Mormon doctrine and the spiritual quality of the temple ordinances In addition the design of our temples could be more religiously symbolic and clear yet cultural ly neutral thus allowing for local design intervention and participation from the church s diverse membership This thesis has been the vehicle to explore the possibilities of Mormon temple architecture The final product is not a building model to be replicated en masse but rather the design of a building type that has the potential to inspire numerous variations What is most important is that the spaces of ritual are clearly defined and meaningfully associated so that the temple patron can be taught and inspired in the House of the Lord

Mormon Americana David J. Whittaker,1995 *Temples of the Church of Jesus Christ of Latter-day Saints* Christopher Kimball Bigelow,2019-03-26 A beautiful reference guide to the first 170 Latter day Saints temples This beautiful book provides a compelling view of Mormonism s accomplishments in building its temples From historic temples to those still in operation and a preview of more to come you ll find interesting facts and statistics on each structure as well as stories and anecdotes about the construction Perfect for sharing the grandeur with friends of other faiths or for teaching children about the temples this book will become a cherished volume in any gospel library The Mormon Landscape Richard V. Francaviglia,1978 **Mormon Architecture** Joseph H. Weston,2013-10 This is a new release of the original 1949 edition **The Latter-Day Saints' Millennial Star** ,1892 **Progressive Architecture** ,1965 **The Mormon Experience** Leonard J. Arrington,Davis Bitton,1979 The best history of the Latter Day Saints addressed to a general audience now includes a new preface an epilogue and a bibliographical afterword This is without a doubt the definitive Mormon history Library Journal Encyclopedia of Mormonism Daniel H. Ludlow,1992 The history scripture doctrine and procedure of the Church of Jesus Christ of Latter day Saints **Architecture Series: Bibliography** ,1986 **Mormon Magazine Miscellany** ,1885 **A History of American Architecture** Mark Gelernter,1999 Why did the colonial Americans give over a significant part of their homes to a grand staircase Why did the Victorians drape their buildings ornate decoration And why did American buildings grow so tall in the last decades of the 19th century This book explores the history of American architecture from prehistoric times to the present explaining why characteristic architectural forms arose at particular times and in particular places Journal of Mormon History ,1999

Mormon Architecture Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Mormon Architecture PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency

saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Mormon Architecture PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Mormon Architecture free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Mormon Architecture Books

1. Where can I buy Mormon Architecture books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Mormon Architecture book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Mormon Architecture books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust

the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
