Mormonism Kurt Van Gorden, 2016-09-06 With their strong emphasis on traditional family values education discipline and service Mormons sound and look more Christian than many believers At first glance there seems to be little to criticize in what they say or do But peel back the facade and you find a cult with its roots in immorality and heresy The story of the Mormon Church is one of fighting racism polygamy and violence Often even the members of the group don't know the full truth about either the history or the teachings of this fast growing church Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood *From Mormon Illusion to God's Love* Floyd Currie McElveen, 1985

Almost a Mormon Adam Dommeyer, 2018-05-03 One family vacation to Utah back in 2002 changed Adam's entire summer One Mormon girl in his 9th grade English class altered his path over the following year One book changed his outlook on faith One true church had him hooked Suddenly one unexpected dream from God transformed the course of his entire life Join Adam on his quest from Mormonism to the one true Faith Christianity and you'll soon realize your own story is about to unfold before your very eyes You're about to meet and encounter the One True God *What Do Mormons Really Believe?* John Ankerberg, John Weldon, 2002-01-01 Mormons say they are Christians but are their claims true Are the differences minimal Authors Ankerberg and Weldon go beyond the seeming similarities to look candidly at the Mormon teachings that are clearly incompatible with orthodox Christianity asking questions such as Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Are there levels of heavenly glory In clarifying the

meanings of terms Mormons use and their views on the Bible Ankerberg and Weldon reveal the chasm between Mormonism and traditional Christianity This clear well written guide equips readers to use the truths of God s Word to defend the faith

Everything You Ever Wanted to Know About Mormonism John Ankerberg,John Weldon,2019-11-13 This definitive work covers every aspect of the history beliefs and practices of Mormonism Answers the crucial questions How Did Mormonism Begin Are Mormon Revelations from God How Powerful Is the Mormon Church Today Is Mormonism a Christian Religion What Is the Mormon View of Christianity What Is the Mormon View of Jesus Christ What Does the Mormon Church Teach Concerning Salvation What Does the Mormon Church Believe About the Afterlife Were Early Mormon Leaders Practitioners of the Occult This book comprehensively traces the roots of Mormonism and examines all of its major doctrines

Good News for Latter-Day Saints (Mormons) Robert James,2021-01-14 It is no exaggeration to say that the Mormons the Latter day Saints are a fascinating people Since 1830 they have been a part of the great mosaic of America Persecuted by mobs driven from place to place their incredible courage in the face of unrelenting hostility has wielded them into a formidable presence especially in the State of Utah Founded in New York State by the charismatic Joseph Smith Jr he said he was personally commissioned by God to restore pure Christianity to the world The Book of Mormon this most perfect book was his initial written binding revelation to his church Joseph Smith was a controversial figure in his day accused of being a fraud a racist a womanizer a disrupter of good morals and a dictator One thing he did do well was to gather people into his church make them believe in themselves and strengthen them into being a formidable force for Mormonism Smith led them through armed conflict against hostile neighbors even against government militias Gun battles and extreme violence were commonplace Eventually Joseph Smith was captured and assassinated all this by age forty Nobody was convicted of his murder Smith is perhaps the most understudied under estimated and misunderstood character in American history He was no ordinary man When his successor Brigham Young led the Latter day Saints to a place of sanctuary today s Salt Lake City Utah it was one of the most epic unifying journeys in American history In the past some of their unusual practices were total obedience to the leadership blood atonement and especially polygamy Some of these were discarded 1890 so today most Mormons are good neighbors However there are Mormon outlaws who still practice such unsavory things hoping to resume them all One goal of the early saints was to conquer Missouri next the entire country then the world Today the Mormon Church is one of the wealthiest and most powerful organizations on the planet Its influence and missionary outreach is worldwide As possibly the fastest growing faith in the world maybe someday they will succeed Then what will be next

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp,2011-12-13 Its the Christmas seasonthe most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persistand are sometimes able to find a mind

and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshalltwo Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostalsnot to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cultsand specifically targeting the Jehovahs Witnesses and Mormonsa confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book The Kingdom of the Cults Walter Martin,Ravi Zacharias,2003-10 Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold **Christian Herald** ,1980 **The Foundations of Mormonism** William Earl La Rue,1919 *the latter-day saints' millennial star* ,1877 **The Mormon Wife** Maria Ward,1872 Life in Utah; Or, The Mysteries and Crimes of Mormonism John Hanson Beadle,1870 The author offers a hostile treatise on the history practices and customs of the Mormon Church during the 19th century **American Anthropology Disproving the Book of Mormon** Charles Augustus Shook,1916 **One Hundred Years of Mormonism** John Henry Evans,1905 A Concise History of the Mormon Battalion in the Mexican War. 1846-1847 Daniel Tyler,1881

The Illusion of God's Presence John C. Wathey,2016 An essential feature of religious experience across many cultures is the intuitive feeling of God s presence More than any rituals or doctrines it is this experience that anchors religious faith yet it has been largely ignored in the scientific literature on religion Starting with a vivid narrative account of the life threatening hike that triggered his own mystical experience biologist John Wathey takes the reader on a scientific journey to find the sources of religious feeling and the illusion of God s presence Hisbook delves into the biological origins of this compelling feeling attributing it to innate neural circuitry that evolved to promote the mother child bond Dr Wathey a veteran neuroscientist argues that evolution has programmed the infant brain to expect the presence of a loving being who responds to the child s needs As the infant grows into adulthood this innate feeling is eventually transferred to the realm of religion where it is reactivated through the symbols imagery and rituals of worship The author interprets our various conceptions of God in biological terms as illusory supernormal stimuli that fill an emotional and cognitive vacuum left over from infancy These insights shed new light on some of the most vexing puzzles of religion like the popular belief in a god who is

judgmental and punishing yet also unconditionally loving the extraordinary tenacity of faith the greater religiosity of women relative to men religious obsessions with sex the mysterious compulsion to pray the seemingly irrepressible feminine attributes of God even in traditionally patriarchal religions and the strange allure of cults Finally Dr Wathey considers the hypothesis that religion evolved to foster reproductive success arguing that in an age of potentially ruinous overpopulation magical thinking has become a luxury we can no longer afford one that distracts us from urgent threats to our planet Deeply researched yet elegantly written in a jargon free and accessible style this book presents a compelling interpretation of the evolutionary origins of spirituality and religion **Lights and Shadows of Mormonism** Josiah Francis Gibbs, 1909
