## **Mormon Dilemma:**

*Reasoning from the Scriptures with the Mormons* Ron Rhodes,Marian Bodine,1995-07-01 Have the Mormons ever left you unsure of what to say Their arguments are convincing their teachings seem indisputable and their stand on what they believe is firm How can you effectively communicate to the Mormons that their gospel does not match up with the Bible One of the best ways is to ask penetrating questions Cult experts Ron Rhodes and Marian Bodine will help you understand the main points of Mormonism and discover where it falls short of God s truth They then equip you to ask strategic questions that challenge the Mormon claim to be the only true church the reliability of Mormon prophets the authenticity of the Book of Mormon Jesus supposed visit to ancient America the Mormon view of God Jesus and the Holy Spirit and much more You ll find Reasoning from the Scriptures with the Mormons a valuable guide to responding to Mormons with confidence **God**

**Different Gospel** Steven H. Propp,2011-12-13 Its the Christmas seasonthe most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persistand are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshalltwo Latter day Saint Mormon missionariesthe season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostalsnot to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cultsand specifically targeting the Jehovahs Witnesses and Mormonsa confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book **What Do Mormons Really**

**Believe** John Ankerberg,John Weldon,2011-08-01 Mormons say they are Christians but are they Do they believe in the same Bible the same God and the same Jesus that Christians follow This book answers these questions and more Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Did Joseph Smith ever give false prophecies The meaning of terms Mormons use as well as their views on the Bible reveal the huge chasm between what

Mormons and Christians believe This book will help you share the truth with Mormons that come to your door      **The Mormon Dilemma** Decker. Ed,Saints Alive,1980      **Good News for Latter-Day Saints (Mormons)** Robert James,2021-01-14 It is no exaggeration to say that the Mormons the Latter day Saints are a fascinating people Since 1830 they have been a part of the great mosaic of America Persecuted by mobs driven from place to place their incredible courage in the face of unrelenting hostility has wielded them into a formidable presence especially in the State of Utah Founded in New York State by the charismatic Joseph Smith Jr he said he was personally commissioned by God to restore pure Christianity to the world The Book of Mormon this most perfect book was his initial written binding revelation to his church Joseph Smith was a controversial figure in his day accused of being a fraud a racist a womanizer a disrupter of good morals and a dictator One thing he did do well was to gather people into his church make them believe in themselves and strengthen them into being a formidable force for Mormonism Smith led them through armed conflict against hostile neighbors even against government militias Gun battles and extreme violence were commonplace Eventually Joseph Smith was captured and assassinated all this by age forty Nobody was convicted of his murder Smith is perhaps the most understudied under estimated and misunderstood character in American history He was no ordinary man When his successor Brigham Young led the Latter day Saints to a place of sanctuary today s Salt Lake City Utah it was one of the most epic unifying journeys in American history In the past some of their unusual practices were total obedience to the leadership blood atonement and especially polygamy Some of these were discarded 1890 so today most Mormons are good neighbors However there are Mormon outlaws who still practice such unsavory things hoping to resume them all One goal of the early saints was to conquer Missouri next the entire country then the world Today the Mormon Church is one of the wealthiest and most powerful organizations on the planet Its influence and missionary outreach is worldwide As possibly the fastest growing faith in the world maybe someday they will succeed Then what will be next      **The Gamble** John Sides,Lynn Vavreck,2014-09-07 A unique moneyball look at the 2012 U S presidential contest between Barack Obama and Mitt Romney Game changer We heard it so many times during the 2012 U S presidential election But what actually made a difference in the contest and what was just hype In this groundbreaking book John Sides and Lynn Vavreck tell the dramatic story of the election with a big difference Using an unusual moneyball approach and drawing on extensive quantitative data they look beyond the anecdote folklore and conventional wisdom that often pass for election analysis to separate what was truly important from what was irrelevant The Gamble combines this data with the best social science research and colorful on the ground reporting providing the most accurate and precise account of the election yet written and the only book of its kind In a new preface the authors reflect on the place of The Gamble in the tradition of presidential election studies its reception to date and possible paths for future social science research      **The Latter-Day Saints' Millennial Star** ,1889      **The Modern Mormon Dilemma** ,1988      *the latter day saints* ,1870      **The Mormon Dilemma** Ed Decker,1990-01-01      **Everything You Ever**
