**Mormon Identities in Transition** Douglas Davies, 2016-10-06 This collection of interdisciplinary essays explores the prime concern of Mormon Studies the relationship between knowledge and spirituality and how that relationship has been defined and reinterpreted over time Beginning with an examination of the international prospects for Mormonism at the turn of the century the volume's overarching theme from sociological anthropological and theological approaches is the examination of changing Mormon identities The contributors review the expansion of Mormonism the emotional and social contexts of its historic and contemporary manifestations the distinction between Utah Mormons and the Reorganized Church of Jesus Christ of Latter Day Saints and issues in Mormon feminism concluding with a valuable review of the sources and documents available for studying Mormonism

[The Transformation of American Religion](#) Alan Wolfe, 2005-04

In this astounding account a leading sociologist demonstrates that religion in America has become so tamed and softened that it hardly serves any of its original functions

[The Mormon Culture of Salvation](#) Douglas J. Davies, 2018-12-07

The Mormon Culture of Salvation presents a comprehensive study of Mormon cultural and religious life offering important new theories of Mormonism one of the fastest growing movements and thought by many to be the next world religion Bringing social scientific and theological perspectives to bear on the Church of Jesus Christ of Latter day Saints Douglas Davies draws from theology history of religions anthropology sociology and psychology to present a unique example of a truly interdisciplinary analysis in religious studies Examining the many aspects of Mormon belief ritual family life and history this book presents a new interpretation of the origin of Mormonism arguing that Mormonism is rooted in the bereavement experience of Joseph Smith which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion and to traditional Christian ideas of grace The Mormon Culture of Salvation is an important work for Mormons and non Mormons alike offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms Written by a non Mormon with over 30 years research experience into Mormonism this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion as well as all those studying or interested in Mormonism and world religions Douglas J Davies is Professor in the Study of Religion in the Department of Theology Durham University UK He is the author of many books including Death Ritual and Belief Cassell 1997 Mormon Identities in Transition Cassell 1994

**An Introduction to Mormonism**

Douglas James Davies, 2003-10-23 The Church of Jesus Christ of Latter day Saints is one of the fastest growing religious movements in the world It is highly visible with a massive missionary program yet it remains a mystery in terms of its core beliefs and theological structure This 2003 book provides an introduction to the basic history doctrines and practices of The LDS the Mormon Church Written by a non Mormon it neither seeks to prove or disprove the truthfulness of the religious

claims of that faith but rather to describe them in ways that non Mormons can understand Particular emphasis is given to sacred texts and prophecies as well as to the crucial Temple rituals of endowments marriage and baptism for the dead through which human beings may achieve their divine potential This rich comparative study offers an understanding of Mormon theology and ideas of humanity [Irish Mormons](#) Hazel O'Brien,2023-06-06 The Church of Jesus Christ of Latter day Saints is one of the international religions that have arrived from abroad to find adherents in Ireland Drawing on fieldwork in two LDS communities Hazel O'Brien explores how these adherents experience the Church in Ireland against the backdrop of the country's increasingly complex religious identity Irish Latter day Saints live on the margins of the nation's religious life and the worldwide LDS movement Nonetheless they create a sense of belonging for themselves by drawing on collective memories of both their Irishness and their faith As O'Brien shows Irish Latter day Saints work to shift the understanding of Ireland's religious landscape away from a predominant focus on Roman Catholicism They also challenge Utah based constructions of Mormonism in order to ensure their place in the Church's powerful religious and cultural lineage Examining the Latter day Saint experience against one nation's rapid social and religious changes Irish Mormons blends participant observation and interviews with analysis to offer a rare view of the Latter day Saints in contemporary Ireland

**Excavating Mormon Pasts** Newell C. Bringhurst,Lavina Fielding Anderson,2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century [Religion Index Two](#) ,1998 [Latter-day Saint Courtship Patterns](#) Mary Jane Woodger,Thomas B. Holman,Kristi A. Young,2007-08-31 For years many have observed the notion that there are a number of distinctive differences in the mate selection process of Latter day Saints LDS and other North Americans Because of the strongly held values espoused by the Church of Jesus Christ of Latter day Saints in regard to marriage within the larger picture of American cultural patterns there are many Mormon sub cultural differences Unique LDS culture patterns have been found to be an expression of a young adult LDS Church member's paradigms of life's meanings This book combines cutting edge scholarly research with items of popular interest analyzing and summarizing data and research already collected Making commitments is vital to LDS life and affects the mate selection process Parental attitudes values and interpretations of accepted codes within the Church have developed into traditions that constitute a complex Mormon lore Therefore the book's approach is a detailed comprehensive report of the author's research that uniquely incorporates folklore data This volume defines the formation of heterosexual relationships culminating in marriage of LDS couples from 1960 to 2005 and compares this pattern to that of other cultural courtships The study will assist future researchers in their analysis of the family and have a direct influence on

further exploration of what constitutes successful LDS families     **The Twilight Mystique** Amy M. Clarke,Marijane Osborn,2014-01-10 The 13 essays in this volume explore Stephenie Meyer's wildly popular Twilight series in the contexts of literature religion fairy tales film and the gothic Several examine Meyer's emphasis on abstinence considering how why and if the author's Mormon faith has influenced the series worldview Others look at fan involvement in the Twilight world focusing on how the series' avid following has led to an economic transformation in Forks Washington the real town where the fictional series is set Other topics include Meyer's use of Quileute shape shifting legends Twilight's literary heritage and its frequent references to classic works of literature and the series' controversial depictions of femininity     **Journal of Mormon History** ,2009     **Dialogue** ,2004 A journal of Mormon thought     **Mormon Historical Studies** ,2001     **Wending Our Way** Charles Noah Joray,1999     **Encyclopedia of Latter-Day Saint History** Arnold K. Garr,Donald Q. Cannon,Richard O. Cowan,2000 An authoritative thorough single volume work on the history of The Church of Jesus Christ of Latter day Saints     **Themes and Issues in Judaism** Seth Daniel Kunin,2000-02-09 Written for students of comparative religion this volume introduces Judaism through the exploration of ten core themes ranging from the depiction of the divine to the role of sacred texts     **Directory of Published Proceedings** ,2004     **The Worlds of Joseph Smith** John Woodland Welch,2006     **Brigham Young University Studies** ,2008 A voice for the community of LDS scholars     **Pedestals and Podiums** Martha Bradley-Evans,Martha Sonntag Bradley,2005 This is a look back to the 1970's beginnings of the women's movement and what preceded it in the history of the LDS church with regard to women's rights within that church the state of Utah and across the country It is an interesting and fascinating story superbly documented with equally engrossing views from both sides of the controversies showing how a once radical church became a bastion of conservatism     **Lingua Franca** ,1996
