## **Morte Durban:**

Morte d'Urban J.F. Powers, 2012-11-21 The humorous 1963 National Book Award winning novel of a charming aging priest and his morally ambiguous exploits when banished to a Minnesota retreat house The hero of J F Powers s comic masterpiece is Father Urban a man of the cloth who is also a man of the world Charming with an expansive vision of the spiritual life and a high tolerance for moral ambiguity Urban enjoys a national reputation as a speaker on the religious circuit and has big plans for the future But then the provincial head of his dowdy religious order banishes him to a retreat house in the Minnesota hinterlands Father Urban soon bounces back carrying God s word with undaunted enthusiasm through the golf courses fishing lodges and backyard barbecues of his new turf Yet even as he triumphs his tribulations mount and in the end his greatest success proves a setback from which he cannot recover First published in 1962 Morte D Urban has been praised by writers as various as Gore Vidal William Gass Mary Gordon and Philip Roth This beautifully observed often hilarious tale of a most unlikely Knight of Faith is among the finest achievements of an author whose singular vision assures him a permanent place in American literature

Morte D'Urban James Farl Powers, 1962 *The Serpent and the Dove* A.

W. Richard Sipe, 2007-10-30 Richard Sipe himself a former monk and priest has made a lifelong venture of determining the reality and meaning of religious celibacy Even an adequate operational definition of religious celibacy he says has been avoided by Catholic hierarchy and scholars to preserve the celibate myth Having spent 25 years conducting a study of celibacy and sexual behavior in Roman Catholic priests Sipe concluded that at any one time no more than 50 percent of priests were practicing celibacy To more fully understand what celibacy is how it is practiced the affect it has on the humanness of men of women and the social effects it presents Sipe says we can use the approach presented in this book Specifically we can analyze historic men who presented themselves or were perceived as living examples of celibacy and also focus on the most profound truths of celibacy found in literary accounts Psychology religion and literary criticism interface and are woven together in this book with minimal jargon *The Serpent and the Dove* was written in the hope of exciting honest analysis of the essence of religious celibacy and to foster a rerudescence of authentic sexual vigor with all of its evolutionary potential Human sexuality is not going away nor is it irrelevant to the wellbeing progress and happiness of the human community says Sipe And the practice of genuine celibacy is not going to disappear either No question the Catholic Church needs profound reformation But in all my work I have chosen not to throw any babies out with the horrendously dirty holy water the church continues to treasure and disseminate Here as in all my work I try to foster dialogue between religion and science such as literary criticism The Catholic Church and religion is at a Copernican Moment when it has to cede to science the nature of sexuality *The Serpent and the Dove* is one more work among Sipe s many books and articles making the need for that clear

**Seven Contemporary Authors** Thomas B. Whitbread, 1966-01-01 These seven critical essays each on a twentieth century novelist are disparate in content but all are concerned with the problem of evil and inhumanity and with

the paradoxes of human existence Each essay discusses a different author but this independence of subject is resolved into a central theme through the interpretive approach followed by the seven critics Each of the contributors presents his subject against the background of the current disillusionment and frustration of our age Underlying each essay are undertones of the absurdity of life today for those who consider it thoughtfully and the contrast between what men would like reality to be and what they actually find This unity of theme the problem of evil of inhumanity of meaninglessness the concern for the human being and his future is developed in an interesting manner It was exploited in different ways by the seven modern novelists discussed in the essays and it is presented with different analytical techniques by the seven critics Yet the reader senses the unity of feeling and purpose amid the diversity of fictional content and critical evaluation Besides the interpretive Introduction by Thomas B Whitbread the book contains the following essays R W Lewis The Conflicts of Reality Cozzens The Last Adam Alan Friedman The Pitching of Love s Mansion in the Tropics of Henry Miller Roger D Abrahams Androgynes Bound Nathanael West s Miss Lonelyhearts George Clark An Illiberal Education William Golding s Pedagogy Vance Ramsey From Here to Absurdity Heller s Catch 22 Anthony Channell Hilfer George and Martha Sad Sad Sad Robert G Twombly Hubris Health and Holiness The Despair of J F Powers **Dante to Dead Man Walking** Raymond A.
