Mosaic Michael Holroyd, 2005 *Turquoise Mosaic Art in Ancient Mexico* Marshall Howard Saville, 1922 *Church and altar decorations and mosaic pictures* John Henry Parker, 1876 **The Archaeology of Rome: Church and altar decorations and mosaic pictures** John Henry Parker, 1876 *Migraine Art* Klaus Podoll, Derek Robinson, 2009-02-24

Migraine Art includes more than 300 powerful illustrations and paintings created by migraine sufferers from around the world. It provides a thoroughly unique window into the subjective world of the migraine sufferer. The idea of collecting migraine art started with a number of public competitions in the 1980s which encouraged artists both amateur and professional to illustrate the pain, the visual disturbances and the effect migraines had on their lives. The book includes hundreds of these submissions as well as detailed descriptions of different types of migraine visual phenomena. Covering such topics as migraine signs, triggers and treatments as well as types of visual hallucinations and somatic sensations and experiences, the book offers a comprehensive view of the migraine experience. Each category of visual disturbance is accompanied by related artwork. A description of migraine visual experiences of famous historical figures such as Blaise Pascal and Lewis Carroll provide historical background on the topic. The book also includes a history of four Migraine Art competitions and information about the Migraine Art collection.
