

MEMOIR OF MOSES

THE LITERARY CREATION OF
COVENANTAL MEMORY IN DEUTERONOMY

A.J. Culp

Moses A Memoir

National Academy of Sciences (U.S.)

Moses A Memoir:

Moses Joel Cohen, 2003 The figure of Moses towers over the cast of saints and sinners who fill the story of God's salvation in the Jewish Scriptures He is the primary leader of the Israelites in their Exodus from Egypt and during their wanderings in the wilderness from the Sinai to the Promised Land He is their great prophet and lawgiver From his beginnings in a basket amid the reeds of the Nile to the revelation at the Burning Bush from the parting of the Red Sea to the receipt of the Tablets of the Law and the destruction of the Golden Calf Moses plays the most central role in the biblical narrative But while the biblical testimonies and legends attempt to explain Moses he never explains himself What was Moses thinking How did Moses perceive the events that surrounded and influenced him Did he reflexively follow God's orders or did he have second thoughts Who really was this mysterious and complex man this great biblical figure Providing a delightfully human touch to the sacred account of unprecedented divine action in history *Moses A Memoir* lets us rediscover the power of the drama as it moves from Exodus to Deuteronomy and appreciate anew the Bible's view of Moses and his soaring accomplishment Book jacket

Memoir of Moses A. J. Culp, 2023-06-13 Deuteronomy characterizes memory as the key to Israel's covenantal loyalty and commands its cultivation in the generations to come and the book portrays itself as the foundation for this ongoing memory program For this reason Deuteronomy is considered to be an ancient collective memory text However recent scholarship has not focused on the book as a formative agent leaving fundamental questions about the book unanswered Why does Deuteronomy see memory as important in the first place How does it seek to cultivate this memory in the people A J Culp answers these questions by exploring Deuteronomy as a formative memory text and bringing contemporary memory theory into dialogue with biblical scholarship Culp shows that Deuteronomy has tailored memory to its unique theology and purposes a fact that both illuminates puzzling aspects of the text and challenges long held views in scholarship such as those regarding aniconism

Susheila Nasta, 2017-04-20 The figure of the diasporic or migrant writer has recently come to be seen as the Everyman of the late modern period a symbol of the global and the local a cultural traveller who can traverse the national political and ethnic boundaries of the new millennium *Home Truths: Fictions of the South Asian Diaspora in Britain* seeks not only to place the individual works of now world famous writers such as VS Naipaul Salman Rushdie Sam Selvon or Hanif Kureishi within a diverse tradition of immigrant writing that has evolved in Britain since the Second World War but also locates their work as well as many lesser known writers such as Attia Hosain GV Desani Aubrey Menen Ravinder Randhawa and Romesh Gunsekera within a historical cultural and aesthetic framework which has its roots prior to postwar migrations and derives from long established indigenous traditions as well as colonial and post colonial visions of home and abroad Close critical readings combine with a historical and theoretical overview in this first book to chart the crucial role played by writers of
