Debating Authority Katharina Pyschny, Sarah Schulz, 2018-07-23 Human leadership is a multifaceted topic in the Hebrew Bible This holds true not only for the final form of the texts but also for their literary history A large range of distributions emerges from the successive sharpening or modification of different aspects of leadership While some of them are combined to a complex figuration of leadership others remain reserved for certain individuals Furthermore it can be considered a consensus within the scholarly debate that concepts of leadership have a certain connection to the history of ancient Israel which is though hard to ascertain Up to now all these aspects of human leadership have been treated in a rather isolated manner Against this background the volume focuses on the different concepts of leadership in the Pentateuch and the Former Prophets Concepts like priest prophet judge and king are examined in a literary religious tradition historical and theological perspective Hence the volume contributes to biblical theology and sheds new light on the redaction reception history of the Pentateuch and the Former Prophets Not least it provides valuable insights into the history of religious and or political authorities in Israel and Early Judaism's

 V W Y Z **Worshipping the State** Benjamin Wiker, 2013-03-25 Many Christians feel that they are being opposed at every
 turn by what seems to be a well orchestrated political and cultural campaign to de Christianize every aspect of Western
 culture They are right and it goes even further back than the Obama Administration In *Worshipping the State* How
 Liberalism Became Our State Religion Benjamin Wiker argues that it is liberals who seek to establish an official state religion
 one of unbelief Wiker reveals that it was never the intention of the Founders to drive religion out of the public square with
 the First Amendment but secular liberals have deliberately misinterpreted the establishment clause to serve their own ends
 the de Christianization of Western civilization The result they hope is government as the new oracle Personal faith in a deity
 is replaced with collective dependence on government and the diversity of religious practices and dogmas is reduced to a
 uniform ideological agenda The liberal strategy is two pronged drive religion out of the public square and then in religion s
 place erect the Church of the State to fill the human need for a higher power to look up to But what was done can be undone
 Outlining a simple step by step strategy for disestablishing the state church of secularism *Worshipping the State* shows the
 full historical sweep of the war to those on the Christian side of the cultural battle and as a consequence of this far more

 Hofrenning, 1995 Ninety percent of Americans tell pollsters they believe in God 68 percent say they are members of a
 religious organization Most of these organizations are represented by lobbyists in Washington D C Daniel J B Hofrenning
 examines the role of these religious lobbyists in American politics and argues that no matter what their ideological stance all
 share an anti elitist strategy in their campaigns against Washington s policies Hofrenning considers the scope of religious
 organizations their tactics their international politics and their relationships among leaders and members Through extensive
 interviews with religious lobbyists he examines both conservative and liberal lobbyists and their distinct methods of wielding
 power In comparison to their secular counterparts who seek small targeted changes religious lobbyists attempt fundamental
 change on a wide range of public policies based on a philosophy that something is profoundly wrong with society and
 government priorities This book not only provides insight into the activities and goals of religious lobbyists but also adds to
 our understanding of politics at the margins a politics that is increasingly affecting the mainstream political agenda Author

 Hastings, Edward Hastings, 1924 **Devil's Lethal Dose** Rev. Lukas Utete, 2012-11-27 This book is written to emphasize the
 fact that Salvation is through the finished work of the cross of Jesus Christ That there is only one God who is almighty and

eternal who revealed himself through the person of Jesus Christ It looks at the various ways the devil is deceiving people into believing that there are many ways of reaching God It tries to highlight the danger that is in taking false teaching because any other means of worship apart from through Jesus Christ does not lead to the one true God but to a god which is devil worship It touches on the Fall of man that man was created being allergic to sin The writer then touches in brief how Jesus Christ touched him Then the great deception is revealed through the Bible and proof is given why Bible must be believed as the holy true infallible word of God The writer then looks at the purpose of Mosaic Law and why it was not intended to impart salvation Also that one cannot choose a part of the Mosaic Law like keeping of the Sabbath without taking the whole law Book then explains who Jesus Christ is the Holy Spirit and God the father and explains what is meant by the Finished work of the cross Unless stated most quotations are from King James Version The Review of the Churches ,1892 *The Universal Jewish Encyclopedia* ...
