**Michael and Mo** Sarah Lewis,2023-09-15 Sometimes life doesn t start how it should and for Michael this was the case Neglect is something that is hard to swallow but understanding that there is a way to cope and to see the world from an unfamiliar perspective can help us understand how we too can carry on through difficult times Finding the love of family and understanding the world through imagination and the magic of nature helped Michael Mo provides that most important of things friendship and companionship when things don t always turn out as they should Mo has been sent to guide Michael through and to let him know that life can be full of love and caring It s funny how our paths are written and how they turn out Luckily for Michael his path will be set by the friendship of Mo the Muskrat and the love of his Grandparents [Sinister Street](#)

**Surviving Michael Winner** Dinah May,2014-10-27 They say you can tell a lot about a person from how they treat their employees In the case of Michael Winner the relationship with his personal assistant Dinah May tells us a great deal indeed In his life Winner was known publicly as many things a director producer and the outspoken food critic who could make or break a restaurant with just a few choice words in his compelling Sunday Times Winner s Dinners column But behind the opulence and charm the glamour and the glitz lies the explosive untold story of fiery outbursts and scorching tirades brought to life here in vivid colour by the one woman who remained a constant in his life

Impulsive unpredictable and obsessed with the spotlight though generous witty and unshakably loyal if life alongside Winner was to be at the centre of a storm on a constant roller coaster then Dinah May was at its epicentre and holding on for dear life For thirty years the former Miss Great Britain was by Winner s side on film sets studios abroad with famous friends or at his home witnessing first hand the two very different sides of his life character and temperament It was with Michael s blessing and indeed encouragement that she leave nothing out from their story Tell them everything and in this affectionate but candid no holds barred expos Dinah certainly doesn t disappoint [Megan Scott/Michael Elliott Mystery Series Box Set: Books 4-6](#)
